ABSTRACT.—Passing orders on the report from the Superintendent of Stationery on the measures taken by him for reducing the large stock of stationery stores on hand. Copy to the Government of India, Finance and Commerce Department.

READ—also the following paper:—

From J. N. ATKINSON, Esq., I.C.S., Superintendent of Stationery, to the Chief Secretary to Government, dated Madras, 1st December 1898, No. 3595.

With reference to paragraph 2 of G.O., No. 972, Financial, dated 31st October 1898, I have the honour to report that, with a view to reduce the stock on hand, a list of all surplus articles in store with their values has been forwarded to the marginally-noted officers with the request that they will state whether they are prepared to purchase any of them. The Superintendents of Stationery, Bombay and Calcutta, were in addition asked to state whether they can assist this department in reducing the large stock of goose quills on hand. This has resulted from the restriction of the supply of the article to Gazetted officers.

2. I am also forwarding a list of the school books and materials, of which there is a large surplus stock on hand, to the several officers of the Educational Department in this Presidency, to all the book-sellers in Madras, to the large educational institutions in Madras, to the Secretary, Pachayappa's College, and to the Secretary, S.P.C.K. Depository, and another list of such articles of stationery as may be of use to private bodies to the leading firms and stationers in this city, with the request that they will purchase such as may be required.

3. When replies to these references have been received, I shall be in a position to furnish to Government a detailed report on the subject, and will submit proposals for the disposal of the balances.

ORDER—No. 1203, Financial, dated 10th December 1898.

Recorded pending the receipt of a further report.
