Proceedings of the Board of Revenue

(Revenue Settlement, Land Records and Agriculture),

Dated 22nd October 1898.

No. 6236 Misc.

The following letter from J. A. Lumming Esquire, Collector of Coimbatore, No. 2429(a) dated 15th October 1898:—

In Board's Proceedings No. 661 (Settlement) dated 12 October 1897, a provision of Rs 5600 was made for this district on account of repairs to channels. Out of this, a sum of Rs 2550 was sanctioned for carrying out certain repairs of district

to the Amaravati channels in the Karur Taluk, in favour of which there were balances available. These works are reported to have been completed. A further sum of Rs 630 was also utilised on the three Cauvery channels in the early part of the year when the floods in the river necessitated the expenditure. Thus the balance available for expenditure under the head for this District is Rs 2420 at present.

2. The Tahsildar of Karur has now submitted estimates aggregating Rs 4,702 for the annual repairs of the three Cauvery channels and states that the estimates cannot be reduced as all the works estimated for are absolutely necessary. I have to recommend

honours to request that the Board will be pleased to sanction an additional allotment of Rs 2,300 for this District. There is sufficient balance available under the Irrigation cess fund of this District to meet this expenditure.

Resolution

Submitted to Government with the Board's recommendation that the additional allotment of Rs 2,300 applied for by the Collector under '45 Civil works' to meet the cost of annual repairs to certain Cauvery channels in the District, may be sanctioned at an early date.

2. The allotment now applied for in addition to the grant of Rs 600 sanctioned for the District

under '45—civil work' in G. O. No. 1053
Financial dated 15 December 1897;
and, as it is not possible now to
say whether any savings will accrue
in the total grants under this
head, or under '43—minor works

unable to indicate a source
from which the charge can be
met. The Accountant-General
may, however, be able to indicate
a source, and the paper will,
accordingly, be submitted to
Government through that
