Maintenance and upkeep of Minor Irrigation Works.					
Original Works	33,000	35,000	36,000	3,28,121	The average annual expenditure on works for the past three years excluding establishment charges amounted to Rs. 3,43,340, and the outlay for the first four months of the current official year to Rs. 97,369 according to the Accountant-General's statements. The revised estimate for 1898-99 is accordingly fixed at Rs. 3,50,000—Rs. 35,000 for "Original works" and Rs. 3,15,000 for "Repairs and maintenance." As sanction to the increased establishment applied for in G.O., No. 696, Revenue, dated 7th December 1896, is not likely to be received during the current year, the revised estimate on account of establishment has been fixed at Rs. 40,000 with reference to the actuals of the previous year. For 1899-1900, the Collectors estimate the requirements for "Original works" and "Repairs and maintenance" at Rs. 32,925 and Rs. 4,08,052, inclusive of establishment charges. The budget estimate may be fixed at Rs. 33,000 for "Original works," Rs. 3,20,000 for "Repairs and maintenance" and Rs. 72,000 on account of "establishment charges." The provision of Rs. 72,000 made under "Establishment charges" is for meeting the cost of the increased establishment recommended in G.O., No. 696, Revenue, dated 7th December 1896. An allotment of Rs. 35,000 was sanctioned for the current year to meet expenditure by the Public Works Department on works in charge of the Revenue Department. The revised and budget estimates have been fixed at the same figure.
