A new head "Govt. Botanist" will have to be opened under 26. Scientific and other minor dep^{ts}. It may either be placed just below "Provincial Museums" - 26D or just above "Botanical and other Public Gardens" - 26H. It is submitted that this question is one for the decision of the Financial dep^t.

2. No provision has been made on account of the pay of the Govt. Botanist in the budget estimate for the current year. It is not known when Mr C. A. Barker will be here to take charge of his work. Assuming that he will arrive about the beginning of November a provision of Rs 2800 or four months pay will have to be made in the revised estimate for the current year and of Rs 8400 or twelve months pay in the final estimate for the ensuing year. Besides this, provision will

will have to be made for his
exchange compensation allowance &
travelling allowances, and for
supplies and services and
contingencies.

3. Attention is solicited to
para 3 of Mr. Reis's letter in
G.O. No. 223 of 30-3-97 from
which it will be seen that
no establishment was transferred
to the Museum with the Herbarium.
The Govt. Botanist will probably
want a clerk and a couple
of peons.

4. It is submitted that
Mr. Thurston may be informed
that a Govt. Botanist on Rs
700 per mensem has been
appointed by the Secy of State
and requested to be good enough
to submit the necessary
budget estimates. He may
also be told that the Botanist
will probably be here about
the beginning of November.

Note

The question referred

to Financial in the notes in

the original of the Revenue

order noted above is as to the

budget under which the new

Botanist should appear. He is

to work under the general

control of the Supdt. Govt.

Museum and to attend to all

systematic and economic

botanic work during his term

in Madras besides examining

in Botany for the University.

The suggestion to open a new

head "Govt. Botanist" under

26 Scientific and other minor

Depts to be placed either just

below 26 D Provincial Museums

or just above 26.9 Botanical

and other Public Gardens seems

proper. The introduction of a

new ^{minor} head will however require

the previous sanction of the

The above note

of funds for the

Funds have also to

A Budget will
be prepared in this

In reply to the D.O.

Flagged A. Mr Thurston
with the D.O. 2-23-11-58
forwarded two estimates
one for Dr Bourne &
the other for the new
botanist. ~~which does~~

I have entered the
estimates in budget
form ^{roughly} in the paper
flagged C.

There are a few
by the way for order:

to I. The rate of house rent

I'm allowed to Mr Barber.

I have entered Rs 125 per

Whether he is to be at
Madras or at Ooty
he ~~cannot~~ ^{could not} get a
a decent house for
less. Possibly at Ooty
he might be assigned
one of the ~~best~~ Govt
houses there. I believe
"Westmore" is a Govt
house.

II His establishment.

Dr Bourne & Mr Thurston

B

R15 is the least. I
could be given. But the
pay proposed for the collector
& the Asst. seems ~~for~~ too
little. I would give the
collector Rs 25 at least,
& the Asst. Rs 20. The Asst.
has the use of
some intelligence &
at least machines

S.K.

Recommend:

1 Collector on Rs 20 per

1 Herbarium Asst

on Rs 12-15. I have
Entered Rs 15 as presumably
an incremental pay is
not contemplated.

1 Peon (to accompany
Mr Barber when travelling)
on Rs 10-12. I have
put down Rs 10 which
seems sufficient.

III Dr Bourne &

Thurston put down

400 for supplies

service & contingencies

I have entered Rs 360
to save "rounding".

IV

Mr Thurston

Seems to assume that
the Herbarium & its
keeper & other present
establishment will
remain as part of
the museum. One
of the stipulations
of Mr Barber's agree-
ment (linked file) is

that he should have
charge of the Herbarium
if he is not to be
subordinate to Mr
Thurston, he must
presumably take over
the Herbarium &
its establishment.

yes
8/7

This question may
however be decided
in the linked file.
It will not affect
this budget for Govt
can afterwards if
necessary transfer
the funds ^{proposed for the herbarium} from the
Museum budget.

I Mr Thurston
makes suggestions,
(a) to improve the
position of the present
Herbarium keeper (Rs 50-60)

(b) to give himself
another clerk on Rs 45
if the correspondence
of the Govt to him
goes thro' his office; at
any rate to give his

Museum writer 5 Rs more
per. These matters are
submitted separately.
