Submitted that this is a matter for Revenue to decide. The stamp appears order to be scarcely necessary. Revenue will doubtless communicate the order to Financial & the paper may ~~therefore~~ be sent over u.o.?

From

J.N. Atkinson Esquire, I.C.S.,

SUPERINTENDENT OF STATIONERY,

MADRAS,

To

The Chief Secretary to Government,

Financial Department.

SIR,

The Board of Revenue, Land Revenue, has forwarded for compliance an indent for a rubber stamp of

BALANCE BROUGHT FORWARD -

DEDUCT AMOUNT OF THIS CHEQUE -

BALANCE - - - - -

Rs A P

the marginally noted pattern from the District Forest Officer, North Arcot, who states that the

use of such a stamp on the counterfoils of cheques enables the officer concerned to readily strike the balance at his credit in the Sub Treasury. The Conservator of Forests supports this view and considers that the stamp if supplied will save a good deal of the time of District Forest Officer.

Under these circumstances I have the honour to solicit the Orders of Government whether the stamp in question may be issued to all District Forest Officers. I would remark, however, that if the sole object is to strike the balance on the counterfoil the necessity for the words to precede the figures - which cannot be mistaken for anything but what they are - is not apparent.

apparent.

I have the honour to be,

Sir,

Your most obedient servant,

J. V. Atkinson.

Copy of Proceedings of the Board of Revenue, Land Revenue, Forest No. 786 Misc. dated 28th November 1898:-

Read again B.P. Forest No. 564 R. dated 7th October 1898 requesting the Superintendent of Stationery to supply the District Forest Officer, North Arcot at Vellore direct with a certain rubber stamp required for his office use.

Read also Endorsement of the Ag. Under Secretary to Govt. Revenue Department, dated 2nd November 1898, No. 4253 Misc. on letter from the Superintendent of Stationery, dated 18th October 1898, No. 2776. Resolution.

In reply to the Government endorsement read above the Board submits that it approves the proposal to supply the rubber stamps in question to all District Forest officers, except of course those who have already been furnished with them; it is required in order to facilitate compliance with the instructions contained in section 188 of the Madras Forest Code. (Vide penultimate sentence of para 1).

2. With reference to paragraph 2 of the Superintendent of Stationery's letter, the Board would prefer to retain the words to which he takes exception. It is advisable to bring the Code provision plainly to the notice of the drawing officer each time that he signs the cheque and the retention of the words referred to will secure this and prevent the possibility of any mistake.

3. The Board proposes to have the same entry printed on the reverse of the counterfoil of each cheque when the next supply of cheque-books is made, but there is at present so large a stock of cheque-books on hand that the supply of rubber stamps appears desirable.
