Explanatory Remarks.

(a) Will draw Rs. 1,680 on the 1st April 1899.

(c) Decrease is due to Major W. B. Bannerman having proceeded to Calcutta in connection with plague duty—G.O., Mis. No 760 P., dated 6th August 1898, Local and Municipal.

(d) House-rent allowance granted to Major H. Thomson while acting for Lieutenant-Colonel W. G. King who proceeded to England on three months' privilege leave—G.O., Mis. No. 1417 L., dated 8th August 1898.

(e) Increase due to house-rent allowance disallowed by the Accountant-General in 1897-98 having been drawn during the year—*vide* G.O., Mis. No. 1055 P., dated 13th September 1898, Local and Municipal.

(f) Increase is due to provision having been made to meet the increased pay sanctioned in G.O., Mis. No. 2283 L., dated 30th November 1898.

(g) *Vide* G.O., Mis. No. 2109 L., dated 3rd November 1898.

(h) *Vide* G.O., Mis. No. 2283 L., dated 30th November 1898.

* Cost of Europe stores (Bacteriological apparatus.)

(i) To meet the cost of a microscope required for the use of the Deputy Sanitary Commissioner—*vide* G.O , No. 1572, Public, dated 29th November 1897.

† It is proposed to mount certain maps during the year.

‡ Transferred to this head according to the revised classification by the Accountant-General from 24-D. Medical. Hence the provision is repeated for 1899-1900.

(j) Cost of furniture for keeping bacteriological apparatus (Rs. 250) and two Public Works Department lanterns for tents (Rs. 30).

(k) This amount is provided to meet any increased expenditure under this head in consequence of the prevalence of plague.

§ This amount is provided as the regular sanitary and vaccine inspection work which was hitherto held in abeyance by order of Government will be commenced during 1899-1900 or earlier.

‖ Increase is due to constant travelling into the several parts of the Ceded Districts and Bombay during the year owing to the prevalence of famine.

(l) The provision under these heads is raised to meet any increased expenditure under cooly and jutka charges that may have to be incurred in consequence of the prevalence of plague.

From the Consulting Architect to Government, dated 15th December 1898.

Order—No. 1234, Financial, dated 16th December 1898.

Under General Department—*Salaries*, the allotment for exchange compensation allowance in the revised estimate for the current year should be Rs. 1,767 and not Rs. 1,750 as given by the Sanitary Commissioner.

2. Under Sanitary Department—*Establishment*, the provision for menial staff will be reduced with reference to G.O., No. 2283 L., dated 30th November 1898, and that for a temporary clerk on Rs. 40 revised with reference to G.O., No. 2109 L., dated 3rd November 1898.

3. The Sanitary Commissioner will be requested to report the details of the provision of Rs. 900 made under "Sanitary arrangements during festivals" subordinate to the head *Supplies and Services*.

4. The provision for "Office scales and weights" under Sanitary Department—*Contingencies*, will be struck out, as these articles should be obtained from the Superintendent of Stationery.

5. Provision should have been made for "Rents, Rates and Taxes". The necessary allotment will be added, the whole amount being provided under article 1006 of the Civil Account Code in the budget of the Sanitary Commissioner who will incur the charge.

6. The enhanced provisions included in the budget for the ensuing year under *Ganjam Agency Tracts—Establishment* and *Allowances* for "vaccinators" should not have been made until the sanction of Government had been obtained to the entertainment of the additional staff. The attention of the Sanitary Commissioner will be drawn to rule 28 of the Instructions relating to the preparation of budget estimates. The provision will, however, be admitted pending orders in the Judicial Department.
