Note for the Chief Assistant.

The addenda & Corrigenda to the Stationery Rules have been checked carefully. The items relating to the supply of rubber stamps & stationery have been checked with the G.O.s passed on the subjects & are found correct. Those relating to the supply of liveries have been verified with G.O. W. 1036 Pub, dated 4th August 1897. There are several variations in the latter which are due in some cases to fresh sanctions — sanctions given after the issue of the G.O. quote above — ^{having} being included and several others for which fresh sanctions have not been quoted. It is therefore, submitted that the addenda may be circulated to the depts concerned for verification, check and return.
