Budget Estimate.

Passing orders on the — of contributions from and to Local Funds (Act V of 1884) for 1899-1900.

GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

READ—the following papers:—

From the Accountant-General, dated 9th December 1898, No. 6216.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 16th December 1898, No. 6311.

With reference to your telephone message of yesterday enquiring to what extent local bodies will, in my opinion, be able to repay in 1899-1900 the contribution due by them as shown in column 9 of the statement appended to paragraph 4 of G.O., No. 1220, Financial, dated the 13th December 1898, I have the honour to state that the balance of Rs. 2,82,000 now remaining to be adjusted out of the total famine contribution of 5 lakhs is recoverable only from three District Boards as shown below:—

	RS.
Kurnool	1,26,000
Bellary	1,12,000
Anantapur	44,000

I have received the Bellary District Board estimate for next year. Nothing can be paid by that Board as it expects to close 1899-1900 with a deficit balance of Rs. 26,000. Nor will Kurnool or Anantapur be in a position to pay anything. The estimated balance of Kurnool on 31st March 1899 will be reduced to nothing if the estimated plague expenditure not provided for in the current year's estimate and shown in column 22 is taken into account. That for Anantapur will be similarly reduced to Rs. 7,000. The estimates of these two districts have not yet been received by me.

ORDER—No. 1245, Financial, dated 17th December 1898.

It is observed that the Surgeon-General has already estimated for the contribution towards the one-eighth pay of medical subordinates in the budget estimates under 24. MEDICAL passed in G.O., No. 1123, Financial, dated 29th November 1898. The provision will, with reference to G.O., No. 454 L., dated 11th March 1898, be included in the estimates for 1899-1900 and shown in future under ADJUSTING HEADS. The Surgeon-General will accordingly omit the item from his estimates.

2. The usual grant of 1.25 for *Local Fund—Public Works* will be repeated in the revised estimate for the current year and in the budget estimate for the ensuing year.

3. The estimates are accepted as shown in the appendix to these proceedings.

SIR,

With reference to your telephone message of yesterday enquiring to what extent Local Bodies will, in my opinion, be able to repay in 1899-1900 the Contribution due by them as shown in Column 9 of the statement appended to para 4 of Government Order No 1220 Financial, dated the 13th December 1898, I have the honour to state that the balance of Rs 282000 now remaining to be adjusted out of the total Famine Contribution of 5 lakhs is recoverable only from three

Kurnool ——— ^{Rs} 1,26,000

Bellary ——— 1,12,000

I have received the Bellary District Board Estimate for next year. Nothing can be paid by that Board as it expects to close 1899-1900 with a deficit balance of Rs 26,000. DECEMBER.

Budget Estimate.

Passing orders on the — of contributions from and to Local Funds (Act V of 1884) for 1899-1900.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following papers:—

From the Accountant-General, dated 9th December 1898, No. 6216.

From T. HESKETH BIGGS, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 16th December 1898, No. 6311.

With reference to your telephone message of yesterday enquiring to what extent local bodies will, in my opinion, be able to repay in 1899-1900 the contribution due by them as shown in column 9 of the statement appended to paragraph 4 of G.O., No. 1220, Financial, dated the 13th December 1898, I have the honour to state that the balance of Rs. 2,82,000 now remaining to be adjusted out of the total famine contribution of 5 lakhs is recoverable only from three District Boards as shown below:—

	RS.
Kurnool	1,26,000
Bellary	1,12,000
Anantapur	44,000

I have received the Bellary District Board estimate for next year. Nothing can be paid by that Board as it expects to close 1899-1900 with a deficit balance of Rs. 26,000. Nor will Kurnool or Anantapur be in a position to pay anything. The estimated balance of Kurnool on 31st March 1899 will be reduced to nothing if the estimated plague expenditure not provided for in the current year's estimate and shown in column 22 is taken into account. That for Anantapur will be similarly reduced to Rs. 7,000. The estimates of these two districts have not yet been received by me.

ORDER—No. 1245, Financial, dated 17th December 1898.

It is observed that the Surgeon-General has already estimated for the contribution towards the one-eighth pay of medical subordinates in the budget estimates under 24. MEDICAL passed in G.O., No. 1123, Financial, dated 29th November 1898. The provision will, with reference to G.O., No. 454 L., dated 11th March 1898, be included in the estimates for 1899-1900 and shown in future under ADJUSTING HEADS. The Surgeon-General will accordingly omit the item from his estimates.

2. The usual grant of 1.25 for *Local Fund—Public Works* will be repeated in the revised estimate for the current year and in the budget estimate for the ensuing year.

3. The estimates are accepted as shown in the appendix to these proceedings.
