The establishment to the entertainment of which retrospective sanction is now solicited is within the sanctioning powers of Government.

2. There is no budget provision for the charge, and although the Surgeon General has proposed a reappropriation, the re-appropriation proposed is inadmissible, as there will be no savings under 24 Medical. If sanctioned, the expenditure can be met from savings under "26 B Scientific etc Departments, Exploration of Petroleum, Coal and Minerals," the revised estimate under which head, as sanctioned by the Board, is much less than the budget provision.

3. The delay in the submission of the case is due chiefly to the Surgeon General having omitted in the first instance to forward a proposition ^{No.} and re-appropriation statement.

OFFICE OF SURGEON-GENERAL

WITH THE GOVERNMENT OF MADRAS,

Obtained 22nd June
~~Madras~~, 1898

From

SURGEON-MAJOR-GENERAL F. SIBTHORPE, C.B., F.R.C.P.I.,

SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

Public DEPARTMENT.

SIR

I have the honor to state that Hospital Assistant Mahomed Abdul Khudus was employed on cholera duty from 1st June to 31st August 1897 both days inclusive in Bhadrachellam Taluq. He applied to the Tahsildar to lend the services of a peon but that officer was not in a position to comply with the request owing to the famine demands on the menial staff of the Taluq which is at any time a very small one.

2. He therefore entertained a peon on Rs. 6 per mensem for the above period under the impression that he could pay him from the permanent advance. As G.O. No. 645, Financial, dated the 17th August 1897 sanctioning the permanent advance was received long after the completion of the duty, he was not able to pay the peon. The Accountant General now objects to admit the claim from Provincial funds without the special sanction of Government. I therefore request that Government will be pleased to accord the necessary sanction.

3. I may add that the procedure followed by the hospital assistant is irregular, which was due to want of experience and that it was very necessary he should have a

peon

peon as he was quite unacquainted with the place.

I have the honor to be,

Sir,

Your most obedient servant,

C. B. Mayall

Surgeon-Major-General,

Surgeon-General with the Government
of Madras.
