SIR,

I have the honor to forward here-
with for the sanction of Government a
proposition statement (in duplicate) for
the opening of ^{two} District Post Branch
Post Offices at Koyyalagudem and ---
Rowthalapudi villages in the Godavari
District at a cost of Rs.5/- and 1/- per
mensem respectively.

2. (a) Koyyalagudem:- This village is
situated on the mail line from Kovur to
Jeelugumulli. Two mail lines branch off
from this place one to Kannapuram 5
miles in length and the other to ---
Potavaram a distance of 10 miles. It is
at present served by the village Postman

Gopolapuram

Memorandum

Gopolapuram twice a week. The bags of Potavaram and Kannapuram are kept in the custody of the runners until the arrival of mails from Jeelugumilli on the one side and Kovur on the other. The Deputy Tahsildar and the Inspector of Police of Potavaram and other Revenue and Police officials often encamp here on public business. It is proposed to open a Post Office here in the interest of the District Service and for the exchange of cross mails.

(b) Rowthalapudi:- This village is situated in the Tuni Taluq bordering on the Agency tracts to which Postal operations have not yet been extended. The Deputy Tahsildar of Prathipadu Division

strongly

strongly urges the necessity for opening a Branch Post Office at this place, and states "A Branch Post Office is very much needed in Rowthalpudy. The nearest Post Office to it now is Annavaram -- which is about 8 miles to it. There are several villages further up which are important. Santapaidipala is one of them and is the head quarters of a Forest Range Officer and is the centre of a very large weekly santa (Fair) Rowthala- pudy itself has a Police Station, and four curnams of several groups of villages live in it". The Superintendent has further represented that this is the entrance village for all the hill villages and several ryots and the police people have represented to him the difficulty they experience in posting and receiving their correspondence.

As

As this village is said to be at
a distance of 10 miles from Annavaram it
is proposed to connect these two places
by a line of two runners as shown in the
proposition statement enclosed.

3. The expenditure proposed viz. Rs. 22/-
a month or Rs. 264 per annum will be met
from the sum of Rs. 2562/- shown under the
heading "Provision for revision and
entertainment of additional establishments"
in the Budget estimate for 1899-1900 I beg
therefore that the Government will be
pleased to accord sanction to the proposal
with effect from 1st April 1899.

I have the honor to be,

Sir,

Your most obedient servant,

J. C. C. C.
