REVENUE BOARD OFFICE. MADRAS.

Proceedings of the Board of Revenue

(Land Revenue)

No.159 Misc.,dated 18th January 1898.

Read the following :-

1. Again Board's Proceedings No.4438 Misc.,dated 20th November 1897,communicating to all Collectors letter from the Accountant-General and requesting Collectors to report before the 10th December next the probable amount required for 1-Refunds-Land Revenue during the current year.

And Collectors' replies thereto.

2. Also the following letter from F.C.Harrison,Esquire, Accountant-General to the Government of Madras,to the Secretary to the Commissioners of Land Revenue,No.127,dated 17th January 1898.

I have the honor to invite your attention to my Letter No.3597,dated 18th November 1897 and to enquire whether the sanction of Government has been obtained for any additional allotment to cover the excess expenditure under Land Revenue.The favour of a very early reply is solicited, informing me what action is taken in the matter,as a sum of more than 27000 rupees is unadjusted on this account.

-------:0:-------

Resolution

In his Letter disposed of in Board's Proceedings No.4438,dated 20th November 1897 the Accountant-General informed the Board that six months' actuals of the current year under 1-Refunds-Land Revenue,exceeded the proportionate budget grant,by about Rs.15000 and requested that the sanction of Government might be obtained for the additional allotment required so as to cover this and any further excess that was

likely to occur. The above Letter was communicated to all Collectors who were asked to report before the 10th December last the probable amount required for "1-Refunds-Land Revenue" during the current year, and to furnish the actuals up to November last and the probable refunds for the remaining four months with explanations of variations between the sanctioned and the revised figures.

2. Replies have been received from all districts except Kistna-For this district the revised estimate proposed by the Collector in August last has been adopted.

3. The actuals up to November last as reported by Collectors amount to Rs.75447 (Vide appendix) -Adding there to Rs.41847 the Collectors' estimate for the remaining four months of the year, the total comes to Rs.1,17,294 or Rs.1,17,000 in round figures against Rs.71000 the sanctioned estimate and Rs.95000 the Board's revised estimate for 1897-98 (Vide page 8 of Government Order No.1075 Finl. dated 21st December 1897). The increase occurs chiefly in Godavari (12500), Kistna (15000) and Malabar (12500). In Godavari it was due partly to the remissions granted on account of damages by floods and partly to refund of excess collections and in Kistna to the refund of penal water-tax in some Taluks. The increase in Malabar is attributed to refunds of the Janmabhogam collected, (1) on certain lands which had been originally declared as Government Janmam, but were treated as private Jenmam at the recent revision of settlement, and (2) on Government Janmam lands which were sold to private parties but on which Janmabhogam continued to be levied till the issue of Janmam sunnads & also to an adjustment of Rs.9823 by debit to 1-Refunds, with reference to Board's Proceedings 3014, d/13-8-97.

4. In these circumstances the Board resolves to request that the sanctioned estimate for 1897-98 under "Refunds-Land Revenue" may be raised by Rs.47000. The actual difference is only Rs.46294, but it seems advisable to leave a small margin for unforeseen charges.

Accts 11.2.98.

Note

1. Refunds Land Revenue is a divided head and so is 5. Salt. The re-appropriation can therefore be made under Art. 295 (a) of the C.A.C. The Accts Genl's revised estimate shows savings under 5. Salt of 3.24 under Imperial and 1.55 under Provincial. Out of the latter 1.40 has been already allotted to 3. Land Revenue. All that is

Make the order more definite stating the amounts reappropriated under Imperial and under Prov. I am doubtful as to whether article 295(a) of the C A. Code applies as Refunds is not a head divided in a fixed propn. between Imp. & Prov. Better make same by telephone to A.G. first

Cus

The order has been added to. Each minor head under Refunds is divided in the same proportion as in the case of the corresponding heads of receipt ~~which~~ and these are divided in a fixed proportion although Land Revenue remains for the present unallotted. Art 295(b) applies also to minor heads.
