Port St. George,

Accountant-General's Office,

No. 3823

From

J. C. Harrison Esquire,

Off. ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Financial Department.

Sir,

I have the honour to address Government upon
the subject of the Tanjore Railway Guarantee fund.
In the Government of India No 2842 dated 31 August
1882 commended with Madras Government
Financial No 1045 dated 28 August 1882 sanction was
accorded for the temporary investment in Government
Securities of the surplus receipts of a Railway cess
levied in the Tanjore District for the construction
of the Mayavaram Mutupet line.

The construction of the line was I understand
practically completed in 1896-97, but paragraph 60 of
the

the report from the President, District Board Tanjore embodied in Government order No 2107 & dated 19th

6

November 1897 shows that the receipts of the Railways

Guarantee Fund from the Cess amounted to

Rs 129943 in that year. Provision has also been

made in the Tanjore District Board estimate

for 1897-98 for ^{this} investment of a sum of Rs 175000

out of the Cess and other receipts and Rs 200000

were actually thus invested in September last.

3. Investment in Government securities of

revenue raised by taxation is however opposed to

clause 7 of the rules recited in article 283(4) Civil

Account code. As the present procedure has continued

for 15 years since the issue of the Government of India

orders quoted ^{above}, I respectfully request that the fact

be placed before the Government of India and the sanction

of that Government obtained to any further investment.

It is desirable that this sanction be obtained before

the insertion of any provision for this purpose in the

District Board Budget for 1898-1899.

I have the honour to be,

your most obedt. Servt.,

for offg. Accountant General.

SUBJECT.

Requesting to obtain the sanction of the Government of India for the investment in Government Securities of Revenue raised by taxation

The Accountant General
will be drawn to
the fact that the sanction
accorded by the Govt of
India in its letter No 2822
D 3 dated 1882 ^{15.9.82} for the
temporary investments in Govt
securities of the receipts of the
Railways cess levied in Tanjore
for the construction of local
lines of railways in that district
and not for the Mayavaram
Mintput line which this line
has only recently been completed
and the question of the con-
struction of other lines is under
consideration.
