Registration Department

A. No. 292.

From,

Mr. P. Rajaratna Mudaliyar, Avergal,

Dewan Bahadur

Inspector General of Registration,

Madras.

To

The Accountant General,

Fort St. George

Dated Madras, 7th February 1898.

Sir,

Referring to your Circular letter No. 251 dated 25th January 1898, received on the 3rd Instant, I have the honour to forward a Memorandum showing the altered grants for the current year.

2. In obedience to the orders of Government, strict instructions have been issued to all officers to restrict expenditure as far as possible during the current year, and a substantial reduction might therefore be

expected. A reduction of Rs 35,000 appears however to be too high, and I have accordingly made some modifications under certain heads which are explained below.

3. Superintendence

(a) Travelling allowance to the Inspector General

Owing to pressure of work in connection with the Famine Charity Fund, I was unable to make frequent touring until December 1897. The actuals up to date under Travelling Allowance amounts however to Rs 426. The provision made by the Accountant-General is therefore insufficient and should be raised to Rs 800.

(b) Travelling Allowance to Establishment

The expenditure up to date is Rs 396, and the revised Estimate may be fixed at Rs 650.

(c) Postage

The amount expended up to date is Rs 670. The Accountant-General's figure Rs 800 is therefore insufficient; and may be altered to Rs 900.

(d) Telegraph Charges

The actuals having reached Rs 90, the sum of Rs 100, fixed in the revised Estimate must be retained.

(e) Other Contingencies

The Accountant General proposes to reduce the Budget Estimate of Rs 2,598 to Rs 1,270. The amount expended up to date is Rs 750. An additional amount of Rs 350 will be required for the carriage of iron safes, twelve of which have already been received and twenty more are expected to be received before the close of the official year. A sum of Rs 300 will be required during the coming months under the remaining heads of contingencies. The Accountant General's heads of contingencies figure should therefore be raised to Rs 1,400.

4. District Charges

(a) Law Charges ✓

Sanction had been obtained (and payment made) for Rs 390 of which Rs 350 was consignment

vide G.O. No 1567, Judicial
dated 15th October 1897

paid

paid to one Tirumalasamy Aiyengar in Coimbatore and Rs 40 the amount of Vakils' fees in the Chevayur theft case. The Accountant General's figure of Rs 10 should therefore be raised to Rs 400.

Vide G.O. No 707/2 dated 7th May 1927.

(b) Remuneration for the Service of females

This is a very fluctuating charge and as such the Budget Estimate of Rs 650 cannot be reduced to so low a figure as Rs 500, the figure now fixed by the Accountant General. But it may be taken at Rs 600, the amount provided in the Revised Estimate.

(c) Petty Construction and Repairs.

As all expenditure under this head has been curtailed, the provision of Rs 2000 made by the Accountant General may be reduced to Rs 1500.

(d) Telegraph Charges.

The Accountant General's figure is Rs 50; but the expenditure for the last eight months having been Rs 41, it may be raised to Rs 70.

(e) Other Contingencies

The grant of Rs 10,340 under furniture may be reduced to Rs 8,400 as the provision made for furniture for new offices will lapse. The grants under the remaining heads of contingencies cannot be reduced. The estimates of furniture and building have all been passed and the grants will be utilized before the close of the official year. The Accountant General's figure should therefore be raised to Rs 25,178 or Rs 25,180 for rounding.

5. Making the proposed alterations the figures will stand as follows:-

	Budget Estimate	Accountant General's Preliminary Civil Budget Estimate	As now proposed
	Rs	Rs	Rs
Superintendence	39,900	33,200	34,100
Other Charges	8,20,100	7,91,800	8,02,900
	Rs 8,60,000.	Rs 8,25,000.	Rs 8,37,000

I have &c.
