(a) Omitted in the column of Grant now considered necessary, as it is not likely that the charges will be incurred this year.

(b) I have been informed by the Survey Office at Calcutta in reply to an enquiry, that the cost of preparing plates for a volume now in the press, is Rs 1488-2-0. The budget provision is Rs 1000/- No account however has yet been received, and it is uncertain whether it will be, this year or next. If this year an addition to the budgeted sum can be effected by savings as follows —

Repairs to photo. apparatus. 4
Articles for Plaster Cast moulds. 40
Purchase of Coins etc. 71
Purchase, repair and carriage of Tents. 75
Carriage of Stationery and Records. 113

Sale proceeds of an old camera, deposited in the Bangalore Treasury at the credit of this department 73-11-10

376-11-10

This makes Rs 1376-11-10 available to meet the charge of Rs 1488-2-0. The remaining balance of Rs 111-6-2 will have to be transferred by Government from one of the surrendered grants, to meet cost of plates. No additional allotment is required. If the charge should fall to be paid next year, Rs 1000 are already provided in that budget, and the required balance of Rs 488-2-0 might be carried forward, and allowed to be utilized from the sum of Rs 1000 provided under "Plates for Reports" in the current year. In that case, Rs 1488-2-0 as above provided for the current year, could be at present surrendered.

(c) The amounts are so transferred from one detailed head to another under the same minor head, as to meet the requirements of the year.

^x To be transferred from one of the surrendered grants.

* This should be reported to Accountant-General for verification.
