2. The Government of India letter, to which my present call is due refers only to recoveries on account of advances dealt with under Government of India Resolution No 5300 A, dated 16th December 1896 and not to advances to weavers.

3. I have sent a telephonic reminder to the Board of Revenue to expedite the information on both accounts.

Proceedings of the Board of Revenue
(Revenue Settlement, Land Records and Agriculture)
No 9683 Miscellaneous, dated 3rd December 1897.

Read the following letter from the Accountant-General to the Government of Madras No 3709 dated 25th November 1897.—

I have the honour to request that, in the Board's estimate of Famine expenditure likely to be incurred in the current and ensuing ^{official} years, you will be good enough to specify the deductions to be made from estimated expenditure on account of recoveries relating to advances to weavers &c. in each of the years.

2. In submitting the Budgets to Government, it will be very desirable to show particulars of charges and recoveries in detail of districts and minor heads.

Resolution

The Collectors of the marginally noted districts are requested to submit at an early date, estimates of receipts during the current year, on account of the sale of cloths or recoveries in cash out of the advances made to weavers. On receipt of these estimates the

Ganjam
Vizagapatam
Kurnool
Bellary
Anantapur
Cuddapah.

the Accountant-General will be furnished with information as to the deductions to be made from the estimated famine expenditure in 1897-98 on account of such recoveries.

2. As regards the estimate of famine expenditure in 1898-99 required by the Accountant-General, he will be informed that until it is more certain than it is at present that the North East Monsoon has failed, no attempt can be made to forecast the expenditure on account of famine in the ensuing year.
