The present pay of the nightwatchman was Rs. 4 being too low, it is extremely difficult to get any amount which will stick to the post. For any length of time, there is a small increase of one rupee is recommended.

If Local Government is competent to sanction, its order will be written across these four columns.

Copy of letter from the Director of Public Instruction, Madras, No. 504, dated 24th January 1898:-

I have the honour to request that you will be good enough to obtain the sanction of Government with effect from 1st December 1897 for increasing the pay of the night watchman of the Rajahmundry College from Rs. 4 to Rs. 5. The Principal reports that it is at present extremely difficult to secure the services of a man for the present pay and that in the course of the year as many as three persons have come and gone owing to the insufficiency of the pay. The increase being ~~is~~ very small, I would recommend that ~~it~~ may be sanctioned. Provisions has been made in the current years budget for the increased charge.

3. The necessary proposition statement is submitted in duplicate. The three lecturers who have been transferred to the Provincial Educational Service have been omitted from the Proposition Statement.
