Accountant-General.

Telegram from the Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated 11th February 1898.

Your 63, January 25th, regarding the general grant for famine relief this year. See my letter, 400-A. F., January 25th. If any grant is required for works in Nellore district, please telegraph particulars as to numbers expected to come on relief in each month of current year; the same information is required as regards Kurnool.

From the Accountant-General, dated 12th February 1898, No. 12—Famine.

Memorandum No. 391.

With reference to G.O., No. 62, Financial, dated 25th January 1898, the Revenue Department is requested to report at a very early date, for communication to the Government of India, particulars of the numbers expected to come on relief in each month of the current year in the districts of Nellore and Kurnool. This information has been called for by telegram by the Government of India, which desires that it may be furnished *by wire*.

12*th February* 1898. (Signed) A. T. ARUNDEL,
Chief Secretary.

To the Revenue Department.

Official Memorandum No. 42.

In reply to the enquiry made in its memorandum, No. 391, dated 12th February 1898, the Financial Department will be informed that it is not proposed to open any relief measures in Kurnool during the current official year and that the average number of persons who were, and who are expected to come, on relief daily in the Nellore district in each of the months of the current year are estimated as under:—

Month.	On works.	On gratuitous relief.
December	1,130	60
January	5,200	250
February	7,000	150
March	8,700	200

Fort St. George,
17*th February* 1898. (Signed) N. E. MARJORIBANKS,
Ag. Under Secretary to Govt.

To the Financial Department.

G.O., Mis. No. 814, Revenue, dated 17th February 1898.

Read—the following paper:—

Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 71, dated 10th February 1898.

Read—again Board's Proceedings, Mis. No. 403, dated 20th January 1898, requesting the Collectors of affected districts, in which famine expenditure is being incurred, or is likely to be incurred, to wire to the Board before the 5th of each month their probable requirements for the month as also for the remainder of the year.

Read—also replies thereto from the Collectors of Nellore, Bellary, Kurnool, Cuddapah and Anantapur.

Resolution—No. 71, dated 10th February 1898.

With reference to paragraph 3 of G.O., No. 33, Financial, dated 15th January 1898, the Board begs to submit the estimates of famine expenditure during the current and ensuing months of the official year and the actuals up to the end of January. The figures from the Examiner, Public Works Department, were received on 10th and those from the Accountant-General on the 11th February.

2. The estimates for Nellore are based on the assumption that the numbers on relief works and on gratuitous relief in Nellore will be as noted in the margin. In view, however, of the fact that all works are likely to be placed under the Public Works Department before long, the estimate for March under 33-B may be transferred to 33-F. The provision made under 33-A in Bellary and Anantapur is to meet the cost of the audit establishment retained for the audit of vouchers of famine expenditure and weavers' depôts; and the provision under other heads in these districts is on account of adjustments of past expenditure, which, it is expected, will be made in the current month. It is observed that in Bellary the total expenditure up to date under 33-D is expected to be reduced by a sum of Rs. 2,500, which has been wrongly debited to that head in the accounts.

	February.	March.
	Rs.	Rs.
Civil works	6,000	7,500
Public Works Department works	1,000	1,200
Gratuitous relief	150	200
