[Despatch Abstract.]

Budget Estimates.

Informing the Acct: Genl: that the Govt considers that a provision of 50 lakh for plague charges in 1898-99 is by no means excessive.

19/3

Informing the Accountant-General that the Government considers that a provision of 50 lakh for plague charges in 1898-99 is by no means excessive.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From F. C. HARRISON, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 2nd March 1898, No. 809.

I have the honour to state that the Government of India thinks that an addition of, say, Rs. 50,000 should be made under 24. Medical—Provincial for next year on account of plague charges likely to be incurred, and to request that you will be good enough to let me know as soon as possible before the 10th instant whether that provision is not too much, considering the expenditure in the current year which amounted to Rs. 16,000 only up to the close of January last. Taking Rs. 2,000 for each of the months of February and March against Rs. 1,600 spent in January, the revised estimate of the current year will amount, as provided in my estimates, to Rs. 20,000 only.

ORDER—No. 249, Financial, dated 9th March 1898.

The Government considers that the provision of 50 lakh for plague charges in 1898-99 is by no means excessive.

I am with not be able to
help much it is thought, as the
estimate can only be a ^{guess} at
best. If 20 lakhs ~~is~~ has
been spent this year on preventive
measures alone, 50 will not suffice
if plague does come to any part
of the Presidency. If anything is to
go into the Budget the sum

by India is better to meet the cost
 of the 1000 Anglo-Indian officers should,

 go towards meeting the salaries
 of the 1000 doctors coming out. These salaries
 however, will probably be ~~partly~~ ^{fully} covered by
 savings in the budget owing to
 the small staff of Commissioned
 Medical officers on duty at
 present.

The A.G. asks whether
 half a lakh will not be
 too much. Certainly it
 will not be.

Even without an outbreak, I fear it may be so. The
 we shall probably spend measures of precaution only,
 a lakh which were starting in India
 H.T. I know with entangled deal - I
 7 3 98 don't know how much, but perhaps Rs
 5000 a month. L. & M. shd. be able
