PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read

Read the following Proceedings of the Board of Revenue, Separate Revenue, No. F68F Misc., dated 18th December 1897, on letter from the Deputy Commissioner, Southern Division, No. F303 dated 9th November 1897 submitting report called for by the Board in connection with the entertainment of additional Sub-Inspectors for night distillation at the Tachanallur and Cannanore Distilleries.

Resolution.

The Board begs to report that on the representation of the proprietors of the Tachanallur and Cannanore distilleries that unless night distillation was permitted they would be unable to manufacture enough country spirit to meet the demand and as the buildings in both distilleries were too insecure to permit of night distillation in the absence of an Officer of the department the Deputy Commissioner Southern Division appointed a Sub-Inspector at the distiller's cost, temporarily to each of the distilleries for night duty. The one at Tachanallur was appointed with effect from 22nd November 1896 and the other at Cannanore from 19th March 1897. The appointment as regards the Tachanallur distillery was approved by the Board but that in regard to the Cannanore distillery was not brought to notice at once through oversight. The Accountant-General having taken objection to the appointment being made without the sanction of Government although they entail no expenditure from public funds the Board requests that formal sanction of Government may now be accorded for the entertainment of the Sub-Inspectors in question and their retention up to 30th September 1898.
