A Board's Proceedings No. 190 dated 3rd August 1896, and in continuation of this office letter, Reference Current No. 3365(a) Revenue of 1896 dated 8th February 1897, I have the honor to submit herewith an estimate with plan for Rs 1800— received from the Superintending Engineer IV circle for resubmitting the

the Vangal channel and to request that the amount may be provided for in the Budget for 1898-99 to be met from the available balance under Irrigation cess fund.

2. It is also requested that the amount may be placed at the disposal of the Superintending Engineer, through the proper channel (vide this office Reference on Current No. 3365 J / Revenue dated 2nd September 1897) and the estimate and plan returned to me with the necessary Sanction.

Resolution.

Submitted to Government, with the Board's recommendation that the allotment of Rs. 1,800 applied for by the Collector, may be Sanctioned and the Accountant General

General authorized in the Financial Department to place the amount at the disposal of the Public Works Department for expenditure during 1898-99.

2. No provision has been made under 43, minor works and Navigation against the district in the Budget Estimate of charges relating to the Irrigation cess fund sanctioned in Government Order No. 1053 Financial dated 15th December 1897 and the Board is unable to say now whether any savings can be expected in the total grants under that head or under 45 Civil works. In these circumstances, it begs to suggest that the amount may

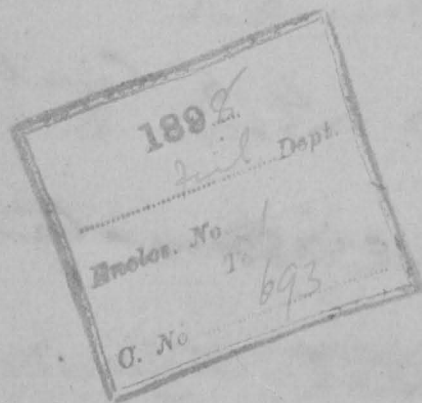

may be sanctioned as a fresh allotment and included in the Civil Budget Estimate. The

provision can be met from the available balance in the district under Irrigation Cess Fund.
