REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Endorsement of

the Accountant General, Madras, No. 789, dated 1st March 1898, on the following Proceedings of the Board of Revenue (Separate Revenue) No. 659 Mis, dated 19th February 1898 on letter from the Superintendent of Stamps, Madras, No. 176, dated 4th February 1898, requesting to obtain the sanction of Government for an additional provision of Rs. 26,000 in the Current year's budget for meeting the cost of special water-marked paper received from the Titaghur Paper Mills Company of Calcutta.

Resolution.

In continuation of Board's Proceedings Mis. No. 5697 dated 22nd December 1897 the Board begs to report that the Special Water-marked paper referred to therein is being received in instalments from the Titaghur Paper Mills Co., that two thousand seven hundred reams have been received and are being distributed to the Districts and that four thousand eight hundred more are expected shortly.

2. The orders on the subject contain no instructions as regards the contract to be entered into with the Company or the price to be paid for the paper. But from Government orders Nos. 332 Revenue, dated 14th May 1897, and 4354 Mis, dated 15th September 1897, the Board understands that it is intended that it should arrange with the Company for a three years' supply and it presumes that the price intended to be paid is the same as that paid by the Bengal Government viz Rs. 3- 1- 0 per ream excluding packing and transit charges. Orders are solicited as to whether a contract should be entered into to this effect.

3. At the same time provision has to be made in the Budget to meet the cost of the paper. Taking the price above quoted

quoted and allowing 6 annas a ream for packing and transport charges. the Superintendent of Stamps estimates that a provision of Rs. 26,000 will be required for the paper already ordered. This will suffice for a three years' supply to Revenue Courts and Offices, but should the High Court decide to introduce the use of the paper into Civil and Criminal Courts also, further provision will be necessary.

Endorsement.

Forwarded for favour of very early orders so that I can communicate with the Government of India by telegraph on the 9th instant. The Superintendent of Stationery telephoned on enquiry that the sum of Rs. 26,000 now required is in addition to the Rs. 50,000 already sanctioned by the Government of India for the current year.

Order thereon, No. 1094 Mis, d/4th March 1898.

The Board's presumption in para 2 of its Proceedings namely that the price to be paid for the plain paper is Rs. 3-1-0 per ream excluding packing and transit charges, is correct. As the quantity already ordered is reported to be sufficient for a three years' supply to revenue Courts and offices, no contract need be entered into for the present. Vide para 4 of G. O. No. 332 dated 14th May 1897. Before renewing an engagement with the Titaghur Mills Company, tenders should be invited from other well known manufacturing companies such as the Bally, Imperial and Bengal Paper Mills companies.

2. The application for funds referred to in the concluding portion of the Proceedings will be considered in the Financial Department.
