REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings

of the Board of Revenue(Revenue Settlement,&c) No. 940 Mis, dated 10th February 1898 on the following letter from the Collector of Bellary, Dis No. 577 dated 3rd February 1898 :-

80214 & 3-3-98 C

In reply to para 3 of Board's Proceedings No. 388 Misc,dated 19th January 1898, I have the honour to state that the amount of Rs. 1690 shown in para 3 of my letter Dis No.230 dated 14th January 1898 as advances made in November 1897 is the sum total of the disbursements reported in this office telegram of the 26th November 1897, on the information furnished by the Tahsildars. It is ascertained however, that the amount actually debited in the treasury accounts, including the disbursements made in October subsequent to the closing of the accounts for that month was Rs. 2,820- 0 -0, which is also the figure returned in the Accountant-General's statement.

2. I append below a statement showing the disbursements from 1st October 1897 up to the end of January 1898 :-

	Amount

Amount disbursed in October 1897 including the advances made in September after the date of the closure of the Treasury accounts for that month (para 3 of my letter Dis No. 230 dated 14th January 1898) ..... Rs. 45,281.

- do - in November including the advances made after the close of the Treasury accounts for October ..... 2,820.

Amount disbursed in December 1897 ..... 50.

- do - in January 1898 ..... 135.

Total Rs. 48,286.

I regret that the information given in my letter Dis No. 230 alluded to above was not complete, but at the time of passing the draft, I was led by my office to believe that there had been no disbursements since November and that Rs. 1690 was the correct figure for that month according to the Treasury accounts.

3. In Board's Proceedings No. 11, dated 10th January 1898, it is proposed to allot to this District a sum of Rs.65,000/ for the six months from 1st October 1897. Deducting the expenditure shown above and the Rs. 10,000/ surrendered in my telegram of the 15th January 1898, there is a balance of Rs. 6,714 available for future expenditure, and I request the Board's orders to utilize this balance as some of the Tahsildars have applied for grants for the payment of second instalments of loan under the Special Well Rules, the payment of which cannot without serious inquiry be postponed till the next official year.

Resolution.

Submitted to Government in continuation of Board's Proceedings, No. 388 Mis, dated 19th January 1898 and No. 862, dated 7th February 1898.

2. It will be seen from the Collector's letter read above, that his previous report that Rs. 1,690 were advanced in November 1897, was based on information furnished by Tahsildars and that including disbursements made in October subsequent to the closing of the accounts for that month, the amount actually debited in the Treasury accounts for November was Rs.2,820.

3. The Collector is requested to explain the circumstances under which Rs. 50 in December 1897 and Rs. 135 in January 1898 were advanced notwithstanding the restrictive orders issued in the Board's telegram dated 20th November 1897.

4. With reference to the concluding para of the Collector's letter, the Board requests that Government will be pleased to pass early orders on its Proceedings No. 44, dated 28th January 1898, submitting a redistribution of the allotment of Rs. 2,39,000 sanctioned by the Government of India.
