ABSTRACT.—Communicating to the Revenue Department letter from the Government of India stating, with remarks, that a provision of Rs. 8,50,000 will be made in the budget estimates for 1898-99 for famine expenditure; and requesting to be furnished with a general report in accordance with rule X, article 48, of the Famine Code.

READ—also the following paper:—

From F. C. HARRISON, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 7th March 1898, No. 875.

I have the honour to state that the Government of India has in the second edition of the budget notes entered a sum of Rs. 8,50,000 for expenditure under 33. Famine Relief next year and directed its distribution between Civil and Public Works Department as shown in the enclosures of the letter of the 10th ultimo from the Madras Government.

2. In the circumstances I request that a copy of the statement showing that distribution may be communicated to me.

ORDER—No. 272, Financial, dated 15th March 1898.

It would appear from the last two papers read above that the Government of India has fixed the budget grant for 1898-99 under 33. FAMINE RELIEF at 8.50 lakhs, following the details recorded in G.O., No. 29, Financial, dated 14th January 1898.

2. It is, however, observed that the grand total of 8.49 shown in the appendix to those proceedings includes a sum of .24 debitable to other service heads, while it does not take into account the provision of .10 for Flood Charges sanctioned in G.O., No. 1079, Financial, dated 21st December 1897.

3. The distribution of the grant for 33. FAMINE RELIEF for 1898-99 will for the present remain as shown in the appendix to G.O., No. 29, Financial, dated 14th January 1898. The Revenue Department will be requested to consider whether a redistribution is called for in the light of later events.

4. Re-appropriation of the sum of .24 lakh will be made as necessity arises during the course of the year to meet the charges, if any, debitable to other service heads. The Accountant-General will be requested to report on this point in due course.
