Compensation allowance for dearness of provisions.

Stating that — is not admissible to menial servants, such as toties and sweepers, whose whole time is not at the disposal of the Government.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Memorandum from the Secretary to Government, Marine Department, dated 16th February 1898, No. 100-E.

Read—the following letter from Commander H. A. STREET, R.I.M., Presidency Port Officer, to the Secretary to Government, Marine Department, dated Madras, 9th February 1898, No. 64-G.:—

I have the honour to request that orders of Government may be obtained as to whether compensation allowance for dearness of provisions in famine districts sanctioned by Government, under article 72 of the Civil Account Code, should be held to be applicable to menial servants, such as sweepers and toties, whose whole time is not at the disposal of the Government service. The Accountant-General, to whom a reference was made on the subject, is of opinion that the men referred to do not appear to be entitled to the compensation allowance in question.

I make this reference as I observe that a Treasury officer has admitted an allowance of Rs. 4 per mensem to a sweeper on pay of Rs. 2, whose whole time is not at the disposal of Government service, so as to raise his total pay to Rs. 6 per mensem under the article referred to.
