Forwarded to the Chief Secretary to Government,
Financial Department.

Attention of Government is respectfully invited to the note to Article 158 of the Civil Account Code issued with the 29 list of corrections dated 15 June 1897 which directs that the Revised Estimate should not be used for purposes either of Budget Control or audit. The column "Accountant General's Revised Estimate" is however still retained with reference to the orders of Government already passed as the figures therein entered are intended merely as a check on the additional amounts, if any ^{applied} affected for.

To

The Hon'ble Mr. A.T.Arundel I.C.S.,
Chief Secretary to Government,
Financial Department.

With reference to your Memorandum No.557

ceding that in which the Estimate was

submitted, Viz. 1896-97 and that the Re-

vised Estimate was put down at £ 5,40,000

with reference to the actuals in 1896-97

which is the latest information available

This Revised Estimate is not used for

Budget Control or audit purposes in this

Office, as the Accountant General seems

on

on the requisitions of the different officers which vary every year according to circumstances. The issues of a year cannot be ascertained until after the close of that year, when only all the indents are priced ; and as this valuation is merely for the purpose of adjustment it has not been usual to apply for any additional allotment under the above head. If however an application for the excess of £ 40,000 (in the Revised Estimate) over the Budget Grant is considered indispensable I request that this letter may be taken as my application.

I have the honor to be,

Sir,

Your most obedient servant,

J. M. Atkinson
Ag. Superintendent.
