Sir,

I have the honour to enclose a letter just received from the Accountant-General, from which you will see that I am directed to refund the cost of the carriage by rail of my horses incurred in July 1897.

I would point out that this is excessively hard under the following circumstances. My transfer order here was by telegram in which I was told to relieve Mr. Leggatt at once and I obeyed that order strictly not availing myself of joining time with the exception of two days actually taken up in packing kit and sending for a horse box to Pakala Junction in order to join here fully equipped as the order seemed to me to require urgent compliance. Moreover, I believe I am right in saying that the cost was incurred before the stringent orders of Government were issued regarding these expenditures. I request under above circumstances you will kindly get the sum passed taking into consideration the frequent transfers I have had to undergo within the last three years by which I am already a heavy loser.

I have &c.

SIR,

Enclosures.

I have the honour, with respect, to submit a letter from Mr. Mainwaring the Superintendent of Police, Anantapur, requesting that the order to recover Rs. 20-13 from him being the charges on account of railing two horses from Madanapalli to Anantapur in July 1897 may be reconsidered. I venture to point out that Mr. Mainwaring had to join in Anantapur rapidly and that in my opinion considering the state of the season in Anantapur in July 1897 and the chance that grave crime might have called Mr. Mainwaring into camp at once, it was reasonable and advisable that he should have his horses with him.

I have the honour to be,

In G.O.No. 41 Finl., d/ 17th January 1898, the claim of Mr. Mainwaring (Supt. of Police) amongst others to the carriage of his horses from Madanapalli to Anantapur on transfer was disallowed on the ground that had the horses been walked by road, they would have arrived at Anantapur nine days before Mr. Mainwaring proceeded on tour after taking charge of the district - please see the statement flagged Z in C.No. 863 which the Acct. Genl. has extracted from the statement upon which orders were then passed. The amount involved (Rs.20-15-0) was ordered to be recovered.

2. In the present currents the I.G. of Police forwards representations from ^{Mr} Mainwaring in which he points out that his transfer was ordered by telegram; that he did not avail himself of any joining time with the exception of two days actually taken up

up in packing ; that the cost was incurred before the stringent orders of Govt. were issued regarding expenditure on carriage of horses; and that immediately on arrival at Anantapur he used his horses for the purpose of visiting the scene of a dacoity in which some constables were concerned. Under these circumstances the claim may, it is submitted, be admitted. and it is proposed to say
