SIR,

I have the honour to enclose a bill for Rs 242 furnished to me by the Executive Engineer Eastern division being the Charges for the steamer Victoria on which the Honourable Mr. Crole travelled between the 24th and 27th August last to inspect the relief operations in the Bhadrachalam Taluk. In no other way was it possible for the Honorable Mr. Crole as Chairman of the Madras Branch of the Charitable fund to see Bhadrachalam where alone there has been anything like serious distress for any length of time in this District and where alone there has been any appreciable expenditure of Famine and Charitable relief funds. As the trip was made

Resolution.

Submitted through the Accountant-General, for the sanction of Government.

2. The First Member of the Board considered that it was essential for him to go to Bhadrachelam, as neither the Famine nor the Sanitary Commissioner had up to that time visted that part of the country. The only possible means of reaching Bhadrachelam during the month of August was by steamer, and it seems fair that the State should pay for charges which were incurred in the public interests.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from

the Accountant-General, Madras, No.3723, dated 26th November 1897 :-

In forwarding to Government a letter No. 4259 Misc, from the Board submitting for the sanction of Government a bill for R. 242/ from the Executive Engineer, Eastern Division, which represents the charges for the steamer Victoria on which the Honourable Mr. Crole travelled between the 24th and 27th August 1897 from Doulaishweram to Bhadrachelam and back, I have the honour respectfully to submit that the charge is inadmissible, the Honourable Mr. Crole having already drawn R. 143/ for the journeys made on those dates under the ordinary rules for travelling allowance which are not intended to cover the expense of every journey, but the General expenditure incurred on the whole in travelling on Government account.

2. In their letter No. 1989 A, Financial, dated 30th April 1897 recorded in Madras Government Order No. 484, Financial, dated 19th June 1897, the Government of India sanctioned the grant of actual expenses under article 1131(a) of the Civil Service Regulations to the Special Assistant Agent, Godavari who uses Public Works Department steamer on the occasion of his journeys to Bhadrachellum. This is, however, a special concession to him as he is likely to have frequent recourse to this method of travelling and it cannot be extended to the Honourable Mr. Crole without the special sanction of the Government of India.

Adverting to the Under Secretary Mr. Gamble's letter, No. 1989 A, Finance and Commerce Department, dated Simla the 30th April 1897, I am directed to request that the Government of India will be pleased to sanction the grant of actual travelling expenses to Mr. Crole, C. I. E., First Member of the Board of Revenue, Madras, for the journeys made by him on the Public Works Department steamer Victoria between the 24th and 27th August 1897 in the Godavari District from Dowlaishwaram to Bhadrachalam and back.

2. Mr. Crole visited Bhadrachalam in connection with the serious distress prevalent in that part of the country and the only possible means of reaching the locality during the month of August was by steamer. In these circumstances His Excellency the Governor in Council considers that the State should bear the charges Rs. 242/ incurred by Mr. Crole in travelling by the Steamer Victoria on the dates specified.

3. I am to add that Mr. Crole has already drawn Rs. 143 under the ordinary Travelling Allowance rules for the journeys in question. If, however, the Government of India is pleased to sanction the grant of actual travelling expenses as now requested, Mr. Crole will be asked to refund the amount already drawn and His Excellency the Governor in Council will exempt him from any further payment for the use of the steamer, the Accountant-General being instructed to carry out the necessary adjustment.
