Copy of letter from the Director of Public Instruction,Madras,No.14016, dated 15th December 1897:-

I have the honour to request that you will be good enough to obtain the sanction of Government with effect from 1st January 1898 for raising the salary of the Havildar, or Drill Instructor, of the Teachers' College Gymnasium from R.10 to R.20. The present incumbent,whose services have but recently been secured, is reported to be a pensioned Jamadar of superior attainments as a Drill Instructor. Both the acting Principal and Captain Hitchins, who is a military officer and is usually deputed to examine the students in Drill and Gymnastics are of opinion,and I agree with them, that the present salary viz R.10 is too low to induce a Drill Instructor like the present incumbent to stick to his place for any length of time.

2. To meet the increase above proposed, I would suggest that the salary of the Gymnastic Instructor of the College Gymnasium be reduced from R.40 to R.30. The present scale of salaries in the College Gymnasium is not well graduated and the proposed reduction of the ~~sla~~ salary of the Gymnastic Instructor, accompanied by a corresponding increase of that of the Havildar or the Drill Instructor would make the salaries of the two Instructors more equitable.

3. The necessary proposition statement is submitted in duplicate.

Copy of letter from the same officer No.1698,dated 21st February 1898:-

With reference to Memorandum No.377 Educational Department dated 11th instant, I have the honour to state that my proposal to reduce the pay of the Gymnastic Instructor Teachers' College, from R.40 to R.30 will not affect the present incumbent,who is only acting and who is in receipt of an allowance of R.25 granted to him under Article 161 (ii) of the Civil Service Regulations.
