The actuals up to December '97 on account of "Fire and Epidemic charges" amounted to Rs 4. The amount provided in Column 6 (viz. Rs 200) is based on the actuals of 1896-97. As it is not known whether this amount exceeds or falls short of the sanctioned grant which is included under "32 Mis: Mis: and unforeseen charges", Column 7 or 8 has not been filled in. |

| 800<br>210 | | 2000 | (i) A sum of Rs 2000 was provided for the current year on account of investigation of Corundum deposits in Salem, but as the investigation has been dispensed with under orders of Government, the amount will not be required for that purpose. Two tons of Salem ore and 105 tons of Giridih coal have been despatched under orders of Govt: to Messrs: Bolckow Vaughan & Co of Middlesborough-on-Tees for experimental manufacture of pig iron. It is presumed that the cost including freight &c charges will amount to nearly Rs 2000. So the provision has been retained, in case the charges come to be incurred before the close of this official year.<br>(j) In G.O. No. 675 Rev: 10-2-98 it is stated that the allotment for the rent of Mr. Middlemiss' office viz Rs 600, will be met from savings under "32. Miscellaneous". |
| 1300 | | | (j,) The charges on account of collection & transmission of steatite to England have up to date amounted to Rs 1139. Government has sanctioned the necessary expenditure for collection and transmission of steatite to England but referred for orders of Govt: of India, the question of the incidence of the charges. Pending final orders the Board considers that a provision of Rs 1300 may be made for the above purpose under "26B. Exploration of Petroleum Coal & Minerals", in case steatite charges have to be paid before the close of this official year. |

As only two pony stallions are required to be purchased now to replace a stallion that was destroyed and another stallion that was sold, a provision of Rs 1200 has been retained out of the amount provided for the purchase of pony and donkey stallions in case the expenditure connected with the purchase of two pony stallions comes to be incurred before the close of this year. A sum of Rs 10,900 will accordingly be considered sufficient for "Pony & mule breeding charges" during this year. |

A further sum of Rs 402 was transferred from the former head to "Contingencies of Supdt. Civil Vety: Deptt" towards the cost of purchasing a microscope required for the use of the Supdt. No. 1085

From
T. C. Harrison Esqre.,
ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To
THE Chief Secretary to Government,
Financial Department.

SIR,

I have the honour to forward the accompanying memo of altered grants received from the Board of Revenue (Land Revenue).

2. The Board now applies for a further allotment of R 113,800 under 'Charges of District Administration' in addition to R 200,000 sanctioned in Government Order No: 113 Financial dated 7 February 1898. The additional allotment now required, according to my Revised Estimate is R 79,700. The actuals up to the end of January '98 are R 3549,822. M

3. An additional allotment of R 32,000 has been sanctioned under '32 Miscellaneous. Remittance of Treasure within the Presidency' in the Government of India letter No: 981-A dated 25 February 1898.

3.3-98

4.

4. The expenditure under "Charges on account of Fishery Collections – Maintenance of Fishery Vessels" up to the end of January 1898 was R 19.295. The grant of R 20.000 now considered necessary may have to be raised by about R 3000 from savings under "Charges on account of Pearl Fisheries" and "Charges on account Fishery Collections – Chank Fisheries" where a much larger saving than is pointed out by the Board is expected. The actuals under these heads up to the end of January were R 4297 and 2534 respectively. A sum of about R 4000 may also lapse from the grant for Destruction of Wild animals – the expenditure to end of January having amounted to R 15313 only.

5. It is not known how much of the amount of R 125.000 included for Famine Batta under "Village Service Fund – 3 Land Revenue" will be utilized this year.

6. The expenditure under "45 Civil Works" (Village Service Fund) up to the end of January was R 9561 only. Even my Revised seems too high.

I have the honour to be,
Sir,
Your Most Obedient Servant,

Budget DEPARTMENT.

FORT ST. GEORGE,
Accountant-General's Office,
25th March 1898.

No. 1229

From

F. C. Harrison Esquire,
ACCOUNTANT-GENERAL TO THE
GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Financial Department.

SIR,

I have the honour to forward the accompanying Memorandum of altered grants received from the Board of Revenue Settlement Department.

2. The expenditure under "43 - Minor works and Navigation Provincial in charge of Civil officers up to the end of January is Rs 236303 only or about 64000 less than the corresponding actuals of last year. The Board expects that during the remaining two months of the current year about Rs 139000 will be spent owing to the unfavourable character of the season in some districts. The expenditure during the corresponding two months of last year was Rs 107573 only.

3. "43 Minor Works and Navigation, Public Works in

in charge of Public works officers is not under my audit.

4. The expenditure under "Irrigation Cess Fund - 45 civil works - In charge of Civil officers, New works - Miscellaneous Public Improvement" up to the end of January is Rs 61 only and the grant of Rs 579 now considered necessary is therefore too high.

I have the honour to be,
Sir,
Your most obedt: servt;
Ullamson
Accountant General.
