ACCOUNTANT-GENERAL TO THE

GOVERNMENT OF MADRAS,

To

THE Chief Secretary to Government,
Financial Department.

SIR,

With reference to Government Order
E. No. 256 Financial dated the 11 of March 1898.
directing that arrangements be made for the dis-
bursement of Rs 25,000/- before the 31st instant for
the purchase of water marked paper from the Titaghar
Paper mills company of Calcutta and sanctioning the
charge to be met by reappropriation from savings
under 6 stamps and 12 Registration, I have the honour
to state that as the cost is debitable to 30 Stationery
and Printing- Stationery purchased for central stores.
Imperial, the reappropriation already sanctioned is not
possible under article 295 (6) of the Civil account code.
In the circumstances, I request that the sanction of the
Govt. of India may be obtained for an additional
allotment, if the cost cannot be met from the sum
of Rs 5000/- sanctioned by the Govt. of India as an
additional allotment in its letter No. 7324 dated 10th Feb-
-ruary 1898.

2. The supplies through the Stamp Department
will be adjusted under 6 stamps- stamp paper
supplied

supplied from central stores - with reference to article 1080 of the civil account code.

3. A sum of Rs 13,864-14-9 has already been drawn by the Superintendent of Stationery.

I have the honour to be,

Sir,

Your letter 1210 of yesterday - What is the advantage of debiting cost of Litaapur water-marked paper to 30. Stamps & Printing Inks, in the post account, & then transferring to 6. Stamps. If the whole supply is distributed directly or nearly so directly, ~~it will be an advantage~~ being kept in stock at the Stamps office, ~~it would~~ ^{it would} be simpler to debit the cost to 6. Stamps, as contemplated by Revenue Dept -

Very necessary to retain one year's supply
in Central Stores to be assigned to those
Districts whose stocks may fail. We
have no data of the requirements of each
District. District estimates are based
on very rough calculations.
