Budget.

Directing all district boards to provide in their budgets from the year 1899-1900 for the full pay and allowances of all the medical subordinates, and to take credit, on the receipt side, for the estimated share of their pay and allowances payable from Provincial funds.

GOVERNMENT OF MADRAS.

LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper :—

From F. C. HARRISON, Esq., Accountant-General, to the Secretary to Government, Local and Municipal Department, dated Fort St. George, 21st February 1898, No. L.F.D.—775.

I have the honour to point out that the procedure enjoined in clause 3 of rule 19 of the rules framed by Government under the Local Boards Act, is opposed to the concluding sentence of article 155 (a), Civil Account Code. The latter lays down that in no case should net charges be entered in the budget, whereas in the former it is remarked that, in cases where Government contributes a portion of the medical officer's salary, the remainder only need be budgetted for by Local funds. I request, therefore, that Government will be pleased to direct all district boards for the future (that is, from the year 1899-1900) to budget for the full pay and allowances of all medical subordinates, and to take credit, on the receipt side, for the estimated provincial share.

ORDER—No. 454 L., dated 11th March 1898.
