Temporary Establishment.
General Records.

A G.O. No. 7 File,
8th January 1908.

NOTE FOR THE C. A.

The sanction last accorded to the continuance of the temporary establishment in the General Record department, consisting of two Clerkson Rs 15 each and two attenders on Rs 8 each, for a further period of 3 months, will expire on the 31st instant.

The following records ^{have been} ~~were~~ sorted and arranged by this establishment during these 3 months.

- (1) Military department. Memorial, Memorandum, Circular and letter files and Miscellaneous books;
- (2) Revenue department. Circulation books, Number books of Mis and regular G.O.s and miscellaneous books and proceedings;
- (3) Despatch registers of all departments, extra Copies of tables of Contents

Proceedings and indexes;
(4) Parliamentary
debates, selections from the
records of the Bombay,
Madras and India Govern-
ments and other miscella-
neous books (sorted and listed
for the Chief Secretariat
Library);

(5) News papers &
journals, foreign Gazettes,
and Parliamentary papers
(sorted and arranged for
Connemara Library);

(6) Extra Copies of
News papers and Parlia-
mentary blue books (sorted
for sale and destruction);

(7) Military depart-
ment lodged papers, Re-
gisters of passports, Public
department draft list of
abstract Consultations,
P. W. D. despatches, adminis-
tration reports and budget
estimates;

(8) Extra Copies of
Legislative department
Bills of the Government of

Madras;
(9) Extra Copies of
Fort St. George Gazettes and
their supplements (arranged
with Office Copies), and
(10) Malabar, Masu-
lipatam, Ganjam, Vizaga-
patam, Manilla, Ludgalore,
Fort St. George, Fort St. David,
Balambangan and Coroner's
records and sundry books
of the Public department.

There remains
however some more work
(1) to be done. The records in the
Strong Room have to be
properly arranged and
labelled. Some attempt was
made to take this in hand,
but the ⁺permanent clerk
who worked at it for a short
time was taken away for
other work. It is proposed
to put on the permanent
Copyist to complete the arrange-
ment of the Strong Room and
to employ one of the temporary
men to do the work of checking

2/3/50
He was outside the
Special Tempory Settlement
and was put on to the
work as a temporary
measure but his
services could not, it
was found, be spared
Cms

SSM. should look into this carefully

records on which the former is now engaged.

(2) There is also a mass of old enclosures to current of various departments which have to be sorted and put into their proper places.

(3) District Gazetteers from 1863 up to date have to be arranged.

(4) Papers of the Committee and the Special officer appointed in connection with the Local Self Government Scheme, of the Special Commissioner deputed to Rampur in 1881 and of the Religious Endowments Committee, which are at present put away in boxes, have to be sorted and arranged.

(5) A good deal of labelling work in connection with the papers already arranged and to be arranged will have to be done.

It is submitted

This work ^{has} ~~been~~ ^{will} be carried out under the personal superintendence of the S. G. O.

therefore that the temporary establishment may be retained for a further period of 3 months, when it is hoped the arrangement of the old records will be complete. The usual draft order is submitted for approval.

The progress reports of the temporary establishment have been watched and the men have been kept fully engaged.

Submitted to the Chief Secretary. I have satisfied myself by almost daily visits to the Record room that this establishment is turning out good work. The principal work remaining to be done lies in the Banqueting Hall and as the elimination of rubbish has proceeded there various discoveries of old manuscripts filled with unsorted records have been made. Progress has been made in the

arrangement of these but there is
a good deal yet to be done. I
doubt whether the work remaining
to be done can be ~~completed~~^{accomplished} in
three months, but the position will
be clearer at the end of that period.
The areas of checking of records have
recently been ~~trans~~ distributed
among the permanent hands in the
General Record Dept & the progress in
this direction has been much greater
during the past three months whilst
the Special Establishment has been
able to turn out more work in other
directions. ~~However~~ The
provisional budget provides Rs 2000
for Record racks ^{or racks} and the cost of
the Temporary Establishment can be
met by a transfer from that
amount, the expenditure under that head
being kept down during the year to
the reduced figure.
