SURGEON-GENERAL WITH THE

GOVERNMENT OF MADRAS,

To

THE HON'BLE THE CHIEF SECRETARY TO GOVERNMENT,

SIR,

I have the honor to state that the Superintendent, Government Leprosy Hospital, Madras, reports that the number of native male lepers seeking admission into the hospital is in excess of the accommodation available and proposes to discharge some of the patients who are not fit subjects for segregation or asylum treatment.

2. The obstacle in carrying out this proposal is the want of funds to meet their travelling expenses. The Accountant-General who was consulted as to whether there is any objection to defray the charges from the allotment for contingent charges of the institution informs me that under article 75 of the Civil Account Code, the sanction of Government is necessary. I therefore request that Government will be pleased

to

to accord the required sanction.

I have the honor to be,

Sir,

Your most obedient Servant,
