Sir,

I am directed to acknowledge the receipt of your letter, No. $\frac{240}{387}$, of the 7th January 1884, regarding certain points on which information was required on the subject of the revenues of the Bangalore Civil and Military Station in connection with the Budget Estimates for the year 1883-84.

2. I am now to inform you that the Government of India are pleased to accept the Budget Estimate of receipts and disbursements of the Civil and Military Station of Bangalore for the financial year 1883-84 submitted with your letter No. $\frac{613}{100}$, of the 26th June 1883, and I am to request that a Budget Estimate for the year 1884-85 may be

be submitted for the consideration of the Government of India with the least possible delay.

3 I am further to convey to you the following instructions regarding the revenues of the Assigned Tract, known as the Civil and Military Station of Bangalore.

(1). From the 1st April 1884, being the commencement ~~commencent~~ of the Financial year, all receipts on account of the revenues of the Assigned Tract should be paid into the British Treasury at Bangalore, and all payments on this account made from the same, in the same manner as the receipts and expenditure of the Residency.

(2) You are requested to make arrangements, as early as possible, for the Collection of the revenues of the Assigned Tract through British officials, instead of through Mysore officials, as has been hitherto done. This arrangement also should take effect from the 1st April 1884.

(3) The accounts of the Assigned Tract revenues and expenditure should be rendered to, and audited by, the Accountant General of Madras.

4 I am to add that pending final decision as to the ultimate disposal of

25

of the Surplus revenue accruing in the Assigned Tract, the Government of India agree to the amount now in Treasury of Mysore State, which is reported to have been at the close of the year 1882–83 Rupees 3,49067–15–3, remaining in deposit in that Treasury. The question raised in your letter No. 1.1 of 13th February 1884, as to the disposal of the Surplus, is under the Consideration of the Government of India.

In June last, the Acctt. Genl. suggested the desirability of obtaining the sanction of the Govt. of India, under Art. 1337 of the C.A. Code, for debiting to Burma the leave allowances payable to Mr. J. Allmark, ~~late~~ Extra Dy. Conservator of Forests, Burma, at the Bangalore Treasury. The matte was, however, dropped, the Acctt. Genl. having subsequently reported that the prohibition contained in Art. 1337 against interprovincial adjustments did not apply to the Forest dept., which is a *quasi*-commercial dep – *vide* A.G.'s letter printed in G. G.O. No: 737 Fnl.

It seems to me that the matter is in a very unsatisfactory state. Take Statement A:— I can understand the credits to Madras Provl. of items A–E, G, H, K & L — but I do not understand the credit of F, save so far as paid by Madras officers, nor of I, nor of J, save so far as the collections appertain to ~~the~~ Madras districts.

On the other hand, why should Madras Provl. be debited with payments with which Madras has nothing to do under the Provl. divided heads shown? For instance, take Superannuation — Bangalore is not a Madras district — why should we pay the pensions of people who go & settle there? If we are to be debited with ~~such~~ such payments because Provl. surely we ought to get the usual provl. shares of the revenue in order to enable us to do so

From the above current it ~~would appear~~ will be seen that the Bangalore treasury is treated as one of the Madras treasuries. Attached to the current are three statements showing

A ~~(1)~~ the receipts & charges of the Bangalore treasury classed as appertaining to this Presidency,

B ~~(2)~~ the revenue & expenditure of the Maisur Assigned tracts known as the "Civil & Military Station, Bangalore," and

C ~~(3)~~ the charges of the Maisur Residency.

3 Statement ~~(1)~~ A. The receipts & charges classed as appertaining to this Presidency during 1896-97 were 34·11 and 2·22 lakhs respectively. The receipts comprise the annual subsidy from the Maisur state, (Imperial) Income tax collections, College & Examination fees and other miscellaneous items. The charges include Ecclesiastical & Political pension payments, (Imperial) Pay of Archaeological survey & Epigraphist, Superannuation allowances and Pay, Leave and other allowances of officers of other districts and provinces disbursed in Bangalore. *Encl 1 to C No: 2966

The receipts comprise ~~several important~~ items such as Land Revenue, Stamps, Excise, Forest etc. ~~[illegible]~~. CHIEF SECRETARY'S 15 DEC 1897 GOVERNMENT OF MADRAS

The payments made into the Residents' Treasury Bangalore on account of fund subscription are classed under imperial in the same manner as those made in this Presidency. As the statement A was prepared according to the major head 22 and to the [illegible] "superannuation retired receipts in aid of superannuation and compassionate allowances" as not wholly imperial it was shown under Provincial in the statement A

This is a rather weak explanation; Major heads were given as well as individual heads in the A/c statements

Note.

The accompanying file regarding the Bangalore treasury is re-submitted to the Hon'bl Sir Henry Bliss K.C.I.E. with reference to his note dated 28 Oct. 97. A search ~~was~~ has been made for further papers in connection with the subject. These do not, however, throw no more light on it than the papers alrea submitted.

2 It has been ascertain that item F shown unde 'Receipts' in statement A exhibits payments made o account of subscriptions to the Military Fund, Bomb Bengal Civil Funds & India Civil Service Family Pensi Funds by Bengal, Bombay & Madras Officers employed i the Mysore Residency & Myso Assigned tracts. These receip have been erroneously shown by the A.G. under 'Provi

of under 'Imperial' in the ~~Audit Cent~~' statement. The charges follow the division adopted in this Presidency where they the charges are wholly Provincial

Item I is stated to represent the fees from the Bangalore & Mysore Cemeteries. As these receipts fall under XXXII Civil Works, they are classed under 'Provincial' according to the practice obtaining in this Presidency.

The land revenue collections shown against 'item I' appertain to Madras districts, as surmised by the Hon'ble Member.

3 The Hon'ble Member observes that, if Madras Provincial is to be debited with payments with which Madras has nothing to do under the Provincial & divided heads shown in the statement, it should properly get the usual Provincial shares of the revenues. It is, however, submitted that, as the Contract ~~[illegible]~~ assignment for this Presi- [illegible] provides for the charges

contribution made to 'Provincial' through the Land Revenue head virtually covers any excess ~~includes a share~~ expenditure incurred on this account ~~of the general revenues which~~ by Provincial ~~is intended to balance the excess of Provincial charges over receipts~~. Had the charges referred to been excluded from the Contract ~~figure~~ assignment, the Land Revenue contribution would have proportionately reduced
