# PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper :-

From the Government Of India, Home Department, No. 371 Y Medical, dated 26th March 1898.

I am directed to acknowledge the receipt of your letter No. 12 P, dated the 8th February 1898, and in reply to state that the Government of India sanction the extension of the deputation of Surgeon Major W.B. Bannerman, Deputy Sanitary Commissioner, Madras, to Bombay for a period not exceeding a total of 12 months from the date of deputation, in view to his learning the practical methods adopted in the Bombay Presidency for combating and treating the bubonic plague and to pursuing the scientific and bacteriological study of the plague microbe under M. Haffkine.

2. With reference to paragraph 3 of your letter I am to state that it appears to the Government of India that Dr. Bannerman should have realized that he would be absent for more than the maximum period up to which Presidency house rent can, under article 78 Civil Service Regulations, be drawn during absence from the Presidency town. They do not think that Dr. Bannerman should be exempted from the operation of article 78 of the Civil Service Regulations if he has been granted a deputation allowance, but have no objection to the proposal if he is only drawing his usual salary. The grant of a deputation allowance in such a case must the Government of India consider, be regarded as compensation to the officer for absence from his station.

Order No. 313 P.His. dated 4th April, 1898.

The sanction of the Government of India will be communicated to the Accountant General and the Sanitary Commissioner. (True extract)
