Sir,

Under instructions from the
Municipal Council, Cannanore I have the
honour to request you will be good enough to
obtain the orders of Government to make over
permanently to the Council the building in which
the Cannanore Municipal Hospital is at present
located.

2. I enclose extracts from the
remarks of the Surgeon General with the
Government made in the Visitors' Book of that
hospital wherein he dwells on the importance of
so getting possession.

I may submit that the building
is one of the old artillery barracks allotted by
Government for use as a hospital under
G.O. n. 50 dated 29th January 1890 and so
used since 25th March 1890

True extract of the Remarks by
The Surgeon General with the Government
of Madras from the Visitor's Book.

Visited the Hospital with the Civil
Surgeon and found it clean and in good
order. There were 22 inpatients. It is
most desirable that the Municipal Council
should apply to have the building handed
over to them permanently in order that
the floor, roof, &c may be properly
repaired. It is also necessary that quarters
near the Hospital should be provided
for the Hospital Assistant.

True extract of the Remarks by
The Surgeon General with the Government
of Madras from the Visitor's Book.

Visited the Hospital, it is clean
and in good order but the floor especially
requires a good deal of improvements.
I would again call attention to the
remarks I recorded in February 1896.
The system of getting supplies from a
contractor is very expensive. If the
hospital had a purveyor and the permanent
advance to the Hospital was increased,
it would save money to get such articles
departmentally.
