G.O.	No.	Department.	Date.

Copy of letter from the Surgeon-General, No.192, dated 22nd February 1898:-

I have the honour to state that in September last, the Inspector-General of Prisons enquired if there was any reason for making no provision in the budget estimate (Jail-Medical) for 1898-99 for the Presidency allowance of Rs.10 in addition

A to the local allowance of Rs.10 sanctioned in G.O.No.1538, Judicial, dated the 23rd August 1892 for each of the hospital assistants attached to the Penitentiary and the Civil Jail, Madras. He was informed that the men were only entitled to the local allowance of Rs.10 in accordance with Appendix B to G.O.No.158, Financial, dated the 11th March 1896.

2. He then consulted the Accountant-General who informed him that these subordinates were entitled to both the Presidency and local allowances sanctioned in G.O.No.654, Public, C and 1538, Judicial, dated the 20th September 1890 and 23rd A August 1892 respectively.

3. The Inspector-General of Prisons having forwarded for remarks a copy of that officer's reply, I invited the attention of the Accountant-General to G.O.No.158, Financial, dated D the 11th March 1896, which, I considered, superseded all the previous orders on the subject, but he differs from this view and suggests a reference to Government for a correct interpretation of the orders which I now have the honour to solicit.

4. If the men attached to the Jail Department are entitled to both allowances it is only fair and reasonable that the hospital assistant attached to the Lunatic Asylum, Madras, should also be granted the Presidency allowance in addition to the Lunatic Asylum allowance Rs.15. The Accountant-General says that under G.O., No.328, Public, dated the 2nd May E the latter can only draw the asylum allowance but the G. only applicable to the Apothecary and not to the hospital assistant class and I am strongly of opinion that if jail hospital

hospital assistants are allowed to draw double allowances, the asylum hospital assistant whose duties are not less onerous should ~~also~~ also be granted the same concession.

Endorsement of the Accountant-General, No. 876, dated 7th March 1898 ~~on the above~~:-

Forwarded.

2. Under Government Order No. 1538 Judicial of 23rd August 1892, the Hospital Assistants are entitled to an allowance of Rs. 10 a month to compensate them for being debarred from private practice as they are attached to a jail. In Government Order No. 654 Public dated 20th September 1890 a local allowance of Rs. 10 a month was granted to all Civil Hospital Assistants permanently employed in Presidency Hospitals. This allowance was given on account of the expensiveness of living in the Presidency Town and does not appear to have any connection with the allowance sanctioned under the Government Order mentioned above and included in appendix B of Government Order No. 158 Financial of 11th March 1896.

3. I may observe that the Hospital Assistants attached to the Civil Jail do not draw the compensation for loss of private practice as they are attached to either a District nor a Central jail as laid down in the Government Order sanctioning the allowance.

With reference to paragraph 4 of the Surgeon-General's letter is pointed out that, since Government refused the grant of the Local Allowance to the civil apothecary attached to the Lunatic Asylum, Madras, the grant of the lower one to the Hospital Assistant attached to that Asylum appears to require the sanction of Government. Vide Government Order No. 328 dated 2nd May 1890 and also Surgeon-General's letter No. 610 dated 5th August recorded in Government Order No. 654 Public dated 20th September
