in the case of each of the affected  
districts and to Rs 10,000 in the  
case of Madras, pending final  
orders of the Govt of India. Referring  
to this order, the Collr of Madras  
~~and~~ on 16.11.97 stated that demands  
for loan were pressing and ~~has~~  
requested to be informed how long  
the restriction re: grant of further

letter was submitted for the Orders of Govt and the Board of Revenue was informed that the restriction will last throughout the remainder of the official year unless the Govt of India sanctions an additional grant before its close.

2. The Special Dy Collr, Madras, now states that from 1st Oct. up to 26 Nov, he has received applications (mostly from the purchasers of waste lands recently sold) involving an amount of Rs 39,500, that he expects many more applications as the sales of waste lands in other villages are to take place shortly, that the public were given to understand that loans would be given for the reclamation of the waste lands, that the sudden stoppage of loans at a time when people are busy converting the lands into wet would work hardly or ~~may~~ <sup>many</sup> and may also affect the results of the ensuing sales. He ~~also~~ <sup>further</sup> states that in many loans cases, the payment of second instalments have become due and accordingly requests

sanction to a grant of Rs 9,000 for the to meet demands in the remaining portion of the year and to an immediate allotment of Rs 20,000 for payment before the Christmas holidays.

3. The Collector of Madras supports the application and apprehends ~~that~~ <sup>that</sup> unless funds are supplied at an early date serious loss of revenue to Govt and much discontent among the purchasers of Govt waste lands will be the result. The Board of Revenue requests very early action and is moved by wire to sanction the additional allotment required for the purpose, as the sudden stoppage of advances must involve breach of contract in many cases and loss of water-rate to a considerable extent, besides discouraging many intending bidders at the ~~even~~ impending sales.

If this grant is made by the

now applied for. Orders are  
solicited as to whether the  
former amount will suffice  
or whether the revised estimate  
should be further raised  
so as to enable us to give  
an additional Rs 90,000 to  
Madurai. If it is decided

My view is that it will  
be regarded as a breach of faith,  
that it will prevent the making  
of proper prices at extensive  
sales of land which are now pending,  
& that it will cause a great  
loss of water. etc.

NOTE FOR THE

NOTE FOR THE CHIEF SECRETARY.

With reference to the  
Rev. Dept. Draft sent for c.r., it is submitted  
that it would be safer to make it  
quite clear to the Board that pending  
further orders of  
~~the Government of India~~ no further ~~quantities~~  
advances should be made in Madras  
or anywhere else as the one lakh  
limit has been already exceeded. In  
view of recent occurrences it does not  
seem that the instructions to the Board  
in this matter can be too precise

A strongly worded order  
is issuing to the Bd.  
on this matter &  
the addition proposed  
at the end of the draft  
below may well be  
introduced.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read Proceedings of the Board of

Revenue, Rev. Sett. Misc.No.9810 dated 8th December 1897, submitting for the very early orders of Govt. letter from the Collector of Madura applying for an allotment of Rs. 90,000 under the Loans Acts for the reclamation of lands under the Periyar Project.

Order thereon, Misc.No.6526 d/ 24th Decr. 1897.

A provision of Rs. 87,600 has been made for the grant of Land Improvement loans in Madura during the second half of the year in the detailed estimates recently forwarded to the Govt. of India. Of this amount Rs. 10,000 appears to have been already spent so that if the Govt. of India should allot the amounts applied for by this Govt., the sum available for disbursements in Madura during the remaining months of the current year will be only Rs. 77,600. The Govt. is of opinion that this amount will suffice and is not prepared to raise further the estimates now with the Govt. of India.

2. The Govt. of India will be requested in the Finl. Department to pass early orders on the above estimates. The Board will however ~~clearly~~ clearly understand that as the limit of one lakh fixed by the Govt. of India has been exceeded no advances can be permitted in Madura or elsewhere pending reply and additional allotment from the Govt. of India.
