Simla, the 13th April 1898.

SIR,

I AM directed to address you in regard to the half-yearly statements of settlement appointments which are prepared for the information of the Government of India, under the instructions contained in Mr. Ibbetson's Circular No. 1-400-2, dated the 6th January 1896.

2. Two returns were prescribed,—one for new appointments not directly sanctioned by the Secretary of State, and the other for extensions granted. Difficulties have arisen in their preparation which have occasioned much trouble and correspondence, and it has been decided to make certain changes in the forms which will, it is hoped, facilitate procedure in future. Copies of the forms as revised are attached to this letter.

3. I am to explain that the Government of India are in this matter concerned with posts, not with the appointment of persons to fill them. The forms now in use suggest a contrary assumption, opening as they do with a column for "Name of officers." The heading has now been changed to "Designation of post." It will be amplified by the details given in column 1 as to the tract the settlement of which has given the occasion for action. Care should be taken to describe this tract more fully than by a mere indication of the division in which it lies.

4. The revised form of Statement I is intended to show *new* posts not directly sanctioned by or specially reported to the Secretary of State. It should exhibit the appointments created for the first time by the Government of India under rule 3 of the rules contained in Despatch No. 254, dated the 3rd September 1895.

5. Form II relates to extensions granted in cases where the term of a post created for a definite period has expired. Such cases have hitherto been infrequent, and Form II has been taken to include all appointments existing for which no definite term has been fixed. The Return as submitted therefore practically amounted to a complete half-yearly list of the settlement posts in each Province, and went much further than is required. The heading has accordingly been
