FINANCIAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 1657, Financial, dated 31st August 1880.

ABSTRACT.—Communicating letter from the Government of India forwarding extracts from a despatch from the Secretary of State relating to various reductions of Indian expenditure.

READ—also the following paper:—

From W. S. MEYER, Esq., Officiating Deputy Secretary to the Government of India, Finance and Commerce Department, to the Chief Secretary to the Government of Madras, dated Simla, 30th April 1898, No. 1952-Ex.

I am directed to forward extract paragraph 6 of a despatch from Her Majesty's Secretary of State for India, No. 69 (Financial), dated the 7th April 1898, sanctioning an increase to the salary of the Members of the Council of His Excellency the Governor of Madras.

2. I am to add that the increase will have effect from the 25th April 1898—the date on which the despatch was received by the Government of India.

ENCLOSURE.

EXTRACT paragraph 6 from a Despatch from Her Majesty's Secretary of State for India, No. 69, (Financial), dated the 7th April 1898.

6. There remain only the Members of Council. As regards your Excellency's colleagues the Law Officers have advised that I have a free hand under 24 and 25 Vict., C. 67, paragraph 4, and in respect of the Members of the Madras and Bombay Councils I am authorised to restore, but not to exceed, their former salaries as fixed by Statute. It seems convenient to deal with all alike, and I have resolved to raise the salaries of all to the old limits. The annual salary of a Member of the Governor-General's Council will accordingly be fixed in future at Rs. 80,000 instead of Rs. 76,800, and that of a Member of the Madras or Bombay Council will be Rs. 64,000. Those Members who belong to the Civil Service of India will continue to be exempted from the liability to contribute to the Annuity Fund.

SUBJECT.

Forwarding extract paragraph of a despatch from the Secy State for India 1.6.98 dated 7 April 98 sanctioning an increase to the salary of the members of Council of the Governor of Madras India

I am directed to forward for your information copy of a letter No. 1952. Ex of 30 April 1898 together with its enclosure regarding the future salaries of members of the Council of H.E. the Gov. of Madras

Not required - this letter direct days ago - I should like to know why this has been marked as urgent. What is the special messenger - has been marked if it had been a matter of importance.

Date to

at, near the cart of tomorrow week!
 How many more times, am I to urge on
 the Secretariat that the way in which
urgent & very urgent papers (or, rather,
 papers so marked) are sent up without
 the least necessity is a serious hindrance
 to work? I must now add that
 to make a wretched poor walk a couple
 miles - no, about four miles - with
 heavy box, without necessity, argues
 culpable indifference to the comfort
 of the subordinates -

NOTE FOR THE CHIEF SECRETARY.

With reference to
 the Hon'ble Member's note
 it is submitted that the paper
 was marked 2 1/2 by the CB and
 it was treated as urgent in
 the office as no one here was
 aware that India had written
 direct to India some days ago.
 There was no necessity, of course,
 to have sent the ~~box~~ ^{box} by a separate
 parcel and the office explanation
 of this is that as the matter
 affected India it was thought
 that ^{the paper} it should reach them as
 early as possible. I have
 prohibited the office from
 sending out papers after the
 Cart has left except under
 special orders. It may be
 explained that the paper was
 sent in a box as India objects to
~~any~~ ^{any} ~~cases~~ ^{cases}.

Of course
 not.
