Civil Budget Estimates.

Directing, with remarks, that the — for 1898–99 be forwarded to the Government of India.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

Read—the following papers :—

From the Accountant-General, dated 14th January 1898, No. 79.

From F. C. HARRISON, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 15th January 1898, No. 104.

With reference to article 1525 of the Civil Account Code, I have the honour to submit the Civil Budget Estimates of this Presidency for 1898–99.

2. The Provincial share of famine-relief expenditure taken in the budget estimate of the current year at Rs. 13,11,000 has been reduced to Rs. 12,50,000 in order to leave the Provincial balance on the 31st March 1898, as required in paragraph 5 of the Government of India letter, No. 1400 A., dated the 26th March 1897, at Rupees 10,00,000, half the prescribed minimum.

3. For next year pending the orders of the Government of India, I have treated the whole famine-relief expenditure as Provincial, and consequently Provincial Services are estimated to close with a balance of Rs. 3,32,000 only on the 31st March 1899. As this figure is far short of 10 lakhs, I respectfully request that Government may be pleased to address the Government of India on the subject.

4. As ordered by Government, the transfer of the detailed head *Freight and other charges for Export and Import of Salt* from the minor head—Salaries, Establishment and Contingencies, to Salt purchase and Freight, under the major head 5. Salt has been carried out in the estimates. But, as it is a transfer from a divided head to a wholly Imperial head, it involves an additional charge of about Rs. 8,000 upon Imperial revenues. I request, therefore, that the Government of India may be addressed on this point also.

5. As G.O., No. 28, Financial, dated the 10th January 1898, directing the retention of the provisions for exchange compensation allowance of His Excellency the Governor and the Members of Council was received only yesterday after the civil estimates were closed and sent to the press for being finally struck off, I shall carry out the necessary additions in my budget notes to the Government of India.

Order—No. 49, Financial, dated 20th January 1898.

The estimates will be forwarded to the Government of India.

2. The action of the Accountant-General in having eliminated from the estimates passed by this Government under 18. General Administration, the provision for exchange compensation allowance to His Excellency the Governor and the Honourable Members of Government was in contravention of article 153 of the Civil Account Code. The provision should be restored as suggested by the Accountant-General through his budget notes.

JANUARY.

Civil Budget Estimates.

Forwarding, with remarks, the — of this Government for 1898–99.

FINANCIAL DEPARTMENT.

Letter—from

The CHIEF SECRETARY to the GOVERNMENT of FORT ST. GEORGE,

To

The SECRETARY to the GOVERNMENT of INDIA, Finance and Commerce Department.

Sir,

I am directed to forward the Civil budget estimates of this Government for the year 1898–99.

2. Under I. Land Revenue—Provincial, the budget figures for the current year have been repeated in the revised estimate, and one-fourth of the ordinary collections *plus* the adjusting entry of 16·46 lakhs shown in the appendix to Schedule A of the Government of India, Finance and Commerce Department resolution No. 3531-A., dated 11th August 1897, and in statement E relating to Madras appended to Finance and Commerce Department letter, No. 4241-A., dated 22nd September 1897, has been provisionally adopted for the ensuing year pending the settlement of the contract figure under I. Land Revenue for the remaining years of the current contract. A separate communication dealing with this and other points will shortly be submitted.

3. In your letter, No. 5049-A., dated 16th November 1897, it was intimated that the distribution between Imperial, Provincial and Local of the expenditure incurred during 1897–98 on famine relief would be settled later, but that for the present the additional grants sanctioned under 33. Famine Relief might be treated as Imperial grants. The estimates provide accordingly, but the Accountant-General has, in the revised estimate, further reduced the estimate of famine charges debitable to Provincial by ·61 lakh with reference to paragraph 5 of your letter, No. 1400-A., of the 26th March last, so as not to reduce the Provincial balance on the 31st March 1898 below half the prescribed minimum of 20 lakhs. For the ensuing year the whole of the estimated famine expenditure has been treated as *Provincial* with the result that the Provincial balance at the close of 1898–99 is reduced to 3·32 lakhs.

4. The estimates of heads of departments have been subjected to the greatest scrutiny and reduced to the lowest possible limit, all avoidable expenditure having been postponed in view of the present financial pressure.

5. In consequence of a representation from the High Court that four more Munsifs' Courts were urgently required, a provision of ·15 lakh has been entered in the estimates under 19-A. Law and Justice—Courts of Law for additional temporary Munsifs' Courts to be established from time to time for the relief of those Munsifs' Courts in which the pressure of arrears is most serious, and I am to urge on the Government of India the necessity for the retention of this allotment.

6. The provision of ·26 lakh under 20. Police for the Railway Police Scheme sanctioned by the Secretary of State will not, in accordance with the instructions in paragraph 2 of Government of India, Public Works Department, letter, No. 2235-G., dated 19th August 1897, be utilized until the financial position improves.

7. The estimates under 3. Land Revenue include an allotment of ·75 lakh for the improvement of the position of taluk gumastahs, on the supposition that this scheme will be introduced by the 1st of July next. The revised scheme will shortly be submitted and, in urging the necessity for the retention of the *partial* provision, I am to draw attention to the length of time that has elapsed since the question of the improvement of the position of these low paid officials was first taken up.

8. With reference to the explanatory remark on page 54 of the estimates, I am to explain that the transfer of the head *Freight and other Charges for Export and Import of Salt for Fish-curing* from the minor head Salaries, Establishments and Contingencies to Salt Purchase and Freight was ordered by this Government with a view of securing correct classification; but as it involves an additional charge of about ·08 lakh on *Imperial* and as this has not been included in the contract figures, I am to state that this Government is willing that the necessary adjustment should be made through the Land Revenue head.

9. Under 18. General Administration the Accountant-General has, in consolidating the budget, eliminated the provision for exchange compensation allowance to His Excellency the Governor and the Members of Council with reference to Finance and Commerce Department No. 4182-Ex., dated 17th September 1897; but as the despatch from the Secretary of State communicated with that resolution merely directed the stoppage of payment of exchange compensation allowance to these high officials pending further consideration and a final decision as to the course to be adopted, the Accountant-General has been directed to restore the provision through his budget notes.

I have the honour to be,
Sir,
Your most obedient servant,

A. T. ARUNDEL,
Chief Secretary.

Fort St. George,
20th January 1898.

Financial Dept.

Note

As the Honourable Member is leaving Madras for a fortnight the following particulars as to the state of the budgets are submitted. [redacted]

2. As far as the Financial Dept. is concerned all the budgets with which it directly deals, except those noted in the margin, have been disposed of. The first is awaiting the Municipal Loans budget due from the Local and Municipal Department (not yet received), and the second the Village Service and Irrigation Cess Fund budgets due from the Revenue Dept. (not yet received). Efforts will be made to have these pushed through and the Interest and Adjusting Heads budgets will be disposed of in Financial directly they are received. The budget of charges under 45 Minor Works and Navigation and 45 Civil Works cannot be disposed of till all the budgets have been passed, as it can only then be determined what grants are available for the Public Works Department. Some of the important budgets of the Revenue Dept. have still to reach the Financial Dept. and the former Dept. has been requested to expedite them.

C. No.s 3603 & 3941

SUBJECT:

~~HIS EXCELLENCY THE GOVERNOR.~~

THE HON'BLE SIR HENRY BLISS, K.C.I.E.

~~THE HON'BLE MR. CROSE, C.I.E.~~

P. W. Estimates

FOR ORDERS.

I think we may take the R.E. as here stated - The saving in the closing bce is due to the bce being less than anticipated i.e. 22·95 agst 25·85 = − 2·90), & the revenue having fallen by 1·77, total − 4·67 - On the other hand, the expenditure will be less by

* No estimates have yet come in for 33 Famine Relief

Cash

·13 - ~~Exception~~

As to the R.E., has anything been made yet in collection in 98-99 of revenue postponed in the current year? There should be a good bit. For the rest, I don't to add to the expenditure under 19 A. Cts of Law ·15 for temp. Supts' Cts. For reason see a paper now in circn about 4 addl Supts' Cts proposed by the H.C.. I have told the C.S. about it. This will bring the total to 329·00. I think we must allow the full sum asked for under 43 - Viz 30·00

An abstract statement showing the position of Provincial Services for the current and ensuing years is submitted. All the estimates have been passed except those under 43 Minor Works & Navigation, P.W.D. and 45 Civil Works P.W.D. - The budget figures for the current year have been adopted for the revised estimates under these two heads and under 33 Famine Relief. The result for the current year then is

Opening balance	22·95
Receipts	315·07
Charges	332·48.
Deficit	17·41
Closing balance	5·54

2

39·45 + 30 lakhs

...y the figures pro-
=posed by the P.W.D. under 43
& 45 respectively for the ensuing year,
which are however high, and
making no provision for 33.
Famine Relief except ·10 for
flood charges, the position for
1898-99 is as follows:-

Opening balance	5.54
Receipts	325.85
Charges	328.85
Deficit	(-)3.00
Closing balance	2.54

~~Apart from the estimated 45~~
~~Civil Works proposed~~
~~for the current year, the~~
~~estimates for the ensuing~~
~~year are higher than the~~
~~grants for the current year,~~
~~although no provision~~
~~has been made for~~
~~Famine Relief.~~

3. The Non-Lib Members copy of the Budget Register is also submitted. On the receipts side the Land Revenue budget figures for the current year have been repeated in the 'revised'. For the ensuing year one-fourth the ordinary collections plus

Seems too high for P.W.D. under 45. The expenditure in previous years of famine was

1894-95	—	20·90
95-96	—	25·31
96-97	—	24·24
	3	70·45
Average		23·48

In these years (assumption), however, the Civil charges under 45 were comparatively light, because larger share was charged off to 43 & other heads. Still, I think 25·00 should be provided for the next year. I remark that it is stated by the Cl. that the total for 1898-99 represents the total of the demands made by Supdgs of heads of Dept. I am working with these expenditures. Anyway we can't afford more than 25·00.

I don't see how the C.E.I. works up to the figures

Tied separately of his Abstract.

For Famine for 1898-99 we must, I think, enter at least a lakh. Works have begun in Nellore & they talk of them as ended in July. But we shall

plus the adjusting (provisionally) has been taken. Under 6 stamps the revised & budget estimate figures have since been attended to 2·38 & 2·40 respectively with reference to G.O. No. 1064 Fin. Dept. 18th Dec. 97. The Register has not been closed as the P.W.D. & Famine estimates still remain to be passed.

4. The P.W.D. do not appear to have provided for the debit of ·40 on account of the Peniyar lease agreed to in G.O. No. 493 Pol. Dept. 25th July 1897. It is submitted that this item should be provided for from whatever profit is made to that department.

4. The estimates proposed by the P.W.D. compare as follows:-

in 1898-99, the closing balance of that year will be 14·63 which will give some margin for famine expenditure. If 20 lakhs were granted under 45 Civil Works - P. W. D., the closing balance of 1898-99 would be 13·04. No assignment under Land Revenue has been placed at 16·46 the figure adopted by India in the latest ~~each~~ papers received from it on the subject, and this is based on a contract figure of 538 lakhs under I Land Revenue India is unlikely to recede from this figure in the last four years of the contract. Under these circumstances perhaps it would be as well to place 45 Civil Works - P.W.D at a higher figure than 20 lakhs, if there is to be no estimate under 37 Famine Relief in 1898-99. This estimate is still due from Revenue and A/c has been asked to furnish under all heads his revised figures by the 2nd January.

In order to show the inadequacy of the assignment with a budget estimate cut down in almost every direction,

Some expenditure on famine is inevitable in Nellore at least. It would be safe to put down say Rs 25,000 as an indication of what will come.

of 1898-

The figures of the revised estimate of the current year are those of the Dept. of Genl. The result he makes is that the year is made to close with a balance of 10.00 Rupees as shown above.

The famine charges debitable to Provincial have been reduced from 13.11 to 12.50 or by .61. so

but are framed so as to work out this result apparently with reference to para 5 of Govt. of I. No 1400 A dated 26th March/97 printed on page 11 of G.O. No 824 Fin. dt. 5th Oct/97.

3 As regards the budget estimates for the ensuing year the grant under 19 A. Law & Justice has been raised by .15 for temporary Munsiffs' Courts as directed by H.M. and Rs 1,43 Rs

It is doubtful whether India will stand the same difference between the budget and revised estimates as last year. There are other differences between the budget and revised estimates of famine. The latter however.

the difference under Receipts (of .10) is due to the contribution from the Maharaja of Jeypore which was included under XXXII Civil works - Civil Officers having been deducted from the charge under 45 - Civil Public Works which are shown as net. On the other

Submitted that the Adjt. may be directed to put the amount back in the estimate. He has no right to alter the budget estimate without the permission of Govt.

it has been ascertained, due to the elimination of the provision for exchange compensation allowance to H.H. the Governor & Honble Members of Govt. The A. General has not been within his rights in striking out the provision without order. In the meantime he has been informed in G.O. No. 28 Fin. & the 7th instant, that the provision made in the budget estimates for 1898-99 should stand.

The remaining differences between the two statements are small and are due to rounding. ~~The figures in the B.E. 1898-99 column in black ink are those in the Statement flagged~~ Such figures in the B.E. 1898-9 column of the statement flagged E as differ from those in the ~~later statement~~ same column of the later Statement flagged of 1898-9

The Board of Revenue nevertheless has proposed a little over 181¼ lakhs as the Revised Estimate of the current year against 168 lakhs realized in 1896-97. It attributes the increased expectation to large realization on account of previous credit sales especially in the second half of 1896-97. At the same time it expects, owing to the continued fall in the price of Government paper, that the credit sales will likewise continue to exceed the cash sales in the second half of the current year. Considering the comparative improvement of about 6¼ lakhs in the 8 months over the 6 months of the current year, I think the receipts will exceed those of the previous, but not to the extent estimated by the Board. The price of Government paper is very low just now.

The actuals of the first eight months of the current year are, however, less than those of the same months of last year by Rs. 2,87,600, due mainly to the effects of the famine. The Board anticipates that much of this decrease will be made good in the remaining months. They have based their Revised Estimate on the results of the recent sales for the lease year commencing from 1st October 1897, and expect that the sales for the next lease will result in an increase of about Rs. 1,82,000 over the rentals for the current year. It is also expected that the extension of the tree-tax will bring an increased revenue and that other receipts will recover.

9,30,618	The Budget Estimate being generally pitched too high has been reduced in the Revised with reference to the actuals of the past and current years. The Revised Estimate includes Rs. 1,09,000 as against Rs. 1,54,000 in the sanctioned budget for Survey of India charges. The Budget Estimate for next year again provides for even larger expenditure than was anticipated for the current year. The amount included for Survey of India charges is Rs. 1,12,000. The larger increase is under Establishments which provides for the full sanctioned scale.

	(*a*) The decrease under "Pay" and increase under "Local allowance" is due to the allowances of the Assistant Inspector being taken at Rs. 175 *plus* local allowance Rs. 50 as per scale sanctioned in G.O., No. 899 L., dated 26th April 1893, instead of at his former pay of Rs. 250. 			Deduct—Probable Savings .	*43,312*	(*a*)			4,59,943		4,16,550		2,60,911	(*a*) The decrease in the budget is due to the retirement of a Brigade-Surgeon and two Assistant Surgeons on Rs. 200 each and to the appointment of junior officers in the arrangement and to the non provision for the pay and allowances of the Military Assistant Surgeon attached to the Chicacole Hospital, Government having sanctioned only one-fourth of his pay and allowance to be met from Provincial Funds which is shown under Grants to Hospitals and Dispensaries. The large decrease in the revised estimate is due mainly to the employment of several District Medical Officers on Military duty.

Land Revenue for the remaining years of the current contract. A separate communication dealing with this and other points will shortly be submitted.

3. In your letter, No. 5049-A., dated 16th November 1897, it was intimated that the distribution between Imperial, Provincial and Local of the expenditure incurred during 1897–98 on famine relief would be settled later, but that for the present the additional grants sanctioned under 33. Famine Relief might be treated as Imperial grants. The estimates provide accordingly, but the Accountant-General has, in the revised estimate, further reduced the estimate of famine charges debitable to Provincial by ·61 lakh with reference to paragraph 5 of your letter, No. 1400-A., of the 26th March last, so as not to reduce the Provincial balance on the 31st March 1898 below half the prescribed minimum of 20 lakhs. For the ensuing year the whole of the estimated famine expenditure has been treated as *Provincial* with the result that the Provincial balance at the close of 1898–99 is reduced to 3·32 lakhs.

4. The estimates of heads of departments have been subjected to the greatest scrutiny and reduced to the lowest possible limit, all avoidable expenditure having been postponed in view of the present financial pressure.

5. In consequence of a representation from the High Court that four more Munsif's Courts were urgently required, a provision of ·15 lakh has been entered in the estimates under 19-A. Law and Justice—Courts of Law for additional temporary Munsif's Courts to be established from time to time for the relief of those Munsif's Courts in which the pressure of arrears is most serious, and I am to urge on the Government of India the necessity for the retention of this allotment.

6. The provision of ·26 lakh under 20. Police for the Railway Police Scheme sanctioned by the Secretary of State will not, in accordance with the instructions in paragraph 2 of Government of India, Public Works Department, letter, No. 2235-G., dated 19th August 1897, be utilized until the financial position improves.

7. The estimates under 3. Land Revenue include an allotment of ·75 lakh for the improvement of the position of taluk gumastahs, on the supposition that this scheme will be introduced by the 1st of July next. The revised scheme will shortly be submitted and, in urging the necessity for the retention of the *partial* provision, I am to draw attention to the length of time that has elapsed since the question of the improvement of the position of these low paid officials was first taken up.

8. With reference to the explanatory remark on page 54 of the estimates, I am to explain that the transfer of the head *Freight and other charges for Export and Import of Salt for Fish-curing* from the minor head Salaries, Establishment and Contingencies to Salt Purchase and Freight was ordered by this Government with a view of securing correct classification; but as it involves an additional charge of about ·08 lakh on *Imperial* and as this has not been included in the contract figures, I am to state that this Government is willing that the necessary adjustment should be made through the Land Revenue head.

9. Under 18. General Administration the Accountant-General has, in consolidating the budget, eliminated the provision for exchange compensation allowance to His Excellency the Governor and the Members of Council with reference to Finance and Commerce Department No. 4182-Ex., dated 17th September 1897; but as the despatch from the Secretary of State communicated with that resolution merely directed the stoppage of payment of exchange compensation allowance to these high officials pending further consideration and a final decision as to the course to be adopted, the Accountant-General has been directed to restore the provision through his budget notes.

I have the honour to be,
Sir,
Your most obedient servant,

Fort St. George,
20*th January* 1898.

Chief Secretary.

Exd. A. F. Eccleston.

To Secretary

With reference to the above notes from the Financial Dept., it is submitted that as far as is known in this Dept there has been no postponement of the demand of the current official year & the next official year. In one of the famine papers the Board states that the revenue which fell due in the Cuddapah district in December 1897 cannot be collected with the following kist, but this does not affect the demand of the current official year.

2. It is anticipated that the balance at the end of the current year will increase by about Rs 4·56 lakhs owing to slackness in collections in the districts affected by the late famine. This figure has been included in the opening balance of 1898-99 and it is assumed that the collections will exhibit the same ^ allowance has therefore been made for its realization during that year.

Please see telephonic message to the Board of Revenue and reply thereto attached.

2. The Board refers to postponements in two districts, viz, Cuddapah and Nellore. The postponements in the former district will not, as already stated, affect the collections of the current year or the next year as the December kist is postponed for a month only. As regard the latter, the crops are stated to be in the Press and neither the amount postponed nor the period for which it is so postponed is known. It is thought that the reply already submitted may be forwarded to the Financial dept.

Note

In his note dated the 4th instant the Honourable Member enquired whether ~~no~~ any allowance had been made in the budget estimates for the collection in 1898-99 of revenue postponed in the current year. From the accompanying notes from the Revenue Department it will be seen that the balance at the end of the current year in the districts affected by famine is expected to increase by about 4.56 lakhs owing to slackness of collection and that this figure has been included in the ~~total~~ opening balance of 1898-99. As the collections have been fixed at 96 per cent of the demand, as in normal years, it is submitted that allowance has been made for the realization of the increased balance during next year.
