READ

The following letter from the Collector of Ganjam, Dis. No. 861 of 98 dated 27th April 1898:—

In continuation of this office letter R.G. No. 283 of 97 dated 15th February last, I have the honor to state that the sum of Rs 1-8-0 in question was originally credited under Agriculturists' Loan Act instead of under Land Improvement Loans Act in November 1896 and that an alteration was proposed to the Accountant General in September 1897 for the transfer of the amount to the proper head. The Accountant General in his

Memorandum to Secy, dated 15th October 1897 ³⁶⁷ having approved of the above alteration, the balance under Agriculturists' Loans Act on 1st October 1897 was raised by this amount in XVII B statement submitted to the Board for that month on the presumption that the adjustment was made in the Accounts of 1896-97. On a reference from this office, the Accountant General now states that the accounts of 1896-97 having been closed the adjustment was made on the charge side under Agriculturists' Loans Act by credit to Land Improvement Loans Act. This will leave the balance unaffected.

Resolution

Submitted for the information of Government in continuation of Board's Proceedings No. dated 8th March 1898.
