GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following papers:—

From Commander H. A. STREET, R.I.M., Presidency Port Officer, Madras, to the Secretary to Government, Marine Department, dated 31st January 1898, No. 1271/44 G.

With reference to Government memorandum No. 25-E., Marine, dated 15th instant, I have the honour to forward, herewith, a proposition statement, in duplicate, specifying classes, grades, number and pay of the several lightkeepers.

2. I would observe that this proposition statement involves no increase or decrease either in strength of establishment or cost, but exhibits a change in the designation of the several men at present employed, with a view to show them distinct from those to whom similar designations are assigned under the scale recently sanctioned and thus remove any possible confusion, as pointed out in my letter, No. 1271/431 G., dated 7th December 1897.

ENCLOSURE.

No. 282, MARINE, 18TH APRIL 1898.

11

G.O., No. F. C. HARRISON, Esq., Accountant-General, to the Secretary to Government, Marine Department, dated Fort St. George, 25th March 1898, No. 1233.

With reference to Government endorsement No. 127-E., dated the 22nd of May 1898, on letter from the Presidency Port Officer, No. 1271/44 G., dated 31st May 1898, herewith returned, I have the honour to report that the entries in the scale shown in the proposition statement received therewith have been verified correct with the following exceptions:—

(1) A lightkeeper on Rs. 9 has been omitted from the scale of the Calingapatam Lighthouse.

(2) One lascar on Rs. 7 shown in the present scale of the Madras Lighthouse is not appear in the sanctioned scale.

2. As to the other point raised by Government, I beg to report that the sanction the Government of India does not appear to me to be necessary to the adoption of the proposals made by the Presidency Port Officer, as the proposals only involve an addition to the strength of the class of lightkeepers, and as, under article 93 (iii) of the Civil Service Regulations, no reference to the Government of India is necessary in such cases.

ORDER—No. 282, Marine, dated 18th April 1898.

In his letter No. 1271/44 G., dated 31st January 1898, the Presidency Port Officer brings to notice that some confusion is likely to arise in dealing with the revised lighthouse establishment, as the designation of "Lightkeeper" has now two distinct meanings: in one case signifying a class or grade, and in another an appointment. In order to remedy the defect the Presidency Port Officer proposes that certain new classes and grades shall be introduced in which the present ungraded men shall be placed. His proposed new classification is, however, defective. There are three new classes, consisting each of one grade. This seems unnecessary. The fourth class has a second grade but no first, and the fifth class has neither first nor second. It would be better to dispense with the grades entirely and simply retain the new classes as follows:—

3rd class	...	...	...	Men on Rs. 15.
4th "	...	...	...	" on " 10 to 12.
5th "	...	...	...	" on " 7 to 9.

Subject to these modifications and to the corrections indicated by the Accountant-General, the proposals are sanctioned. They involve no financial change.
