Ref No 1196 of 1897 dated 26th March at Ootacamund

for the scavenger to clear the latrines and wards of the sub-jail at Konoor.

I beg to submit as follows.

There are only 3 scavengers in the village. Two of them are local and one is employed here and they are

employed here and they are engaged in their work in the village.

Their services cannot be utilised for the sub-jail purposes as they have a great deal of work to do. The

cleaning of the wards and latrines requires daily work.

Moreover on the time of occurrence of epidemics their services are absolutely needed. On such occasion

none will come though the remuneration is promised.
