S.S. Roberts
for Ag. under Secy. to Govt.

the Board of Revenue (Revenue Settlement, &c) No. 2992 Mis, dated 5th May 1898 on the following letter from the Collector of Bellary, disposal No. 1763, dated 17th April 1898 :-

honour to state that of the sixteen vil-
lages, about which anxiety was expressed
in this office letter Dis.No. 7866, dated
17th December 1897 disposed of in Board's

Proceedings quoted above, ten villages have had a fair crop and need no special treatment, and that the remaining six have suffered to a considerable extent and deserve some concession.

2. From the enclosed statement it will be seen that in these letters the mangari out-turn was inappreciable (though what there was, was over six annas) and the hingari out-turn was either nil, or two annas and below. As this year is not one of general scarcity, I do not consider that dry remissions are called for, but as the ryots cannot without hardship pay the assessment at present, I recommend that the collection of ^{The} revenue amounting to Rs. 1799 may be suspended till next year.

Resolution.

Submitted for the orders of Government. The Board supports the Collector's recommendation that in six villages of the Hospet taluk the collection of dry assessment may be suspended until next Fasli.
