Chairman
Acting Collector

Proceedings of the Board of Revenue.

Revenue Settlement, Land Records and Agriculture).

Dated 15th March 1898, No. 1891 Misc.

Read the following letter from the Collector of Cuddapah, Reference on Current No. 12 / Rev.B.G. ,dated 7th March 1898 :-

With reference to Board's Proceedings No. 22 Misc, dated 5th January 1898, I have the honour to state that the services of the Special Famine Accountant on R. 35 entertained in this District for the audit of Famine vouchers were dispensed with along with other special establishments under the orders of Mr. Tate by the 3rd week of November last. My Treasury Deputy Collector brings to my notice that he had to depute 3 accountants from the permanent establishment to the Famine audit work and that this is detrimental to the discharge of the other work. Vouchers up to the end of October 1897 have been ~~chec~~ checked and detailed bills prepared. Vouchers for the marginally noted sums spent during the last three months remain to be checked and detailed bills prepared. Objection statements have to be sent out from October 1897 and when they are received back, necessary adjustments have to be made. Final reconciliation between the Taluk and Huzur accounts has also to be made. To do all these, the services of an accountant is necessary for a period of at least 3 (three) months. I have therefore re-appointed an accountant on R. 35 in anticipation of Board's orders and trust that my action will meet with the Board's approval.
