The Government does not consider that any public object will be served by the appointment of M.R.Ry Ch. Venkatachalam Pantulu Garu as Receiver. He will be informed that

he is in the

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:-

letter from the Government of India, Rev: & Agricultural Department, No. 2273/274-4 dated 27th September 1897:-

With reference to the correspondence ending with your telegram of the 10th instant, regarding the proposed appointment of [M.R.Ry Ch. Venkatachalam Pantulu, a fourth grade Deputy Collector] now on furlough, as receiver of certain estates in the Kistna District, I am directed to say that there is a public object to be served by this appointment the Government of India will have no objection to [the Deputy Collector] being allowed to accept it as one of Foreign Service of the second kind, provided he pays the prescribed contribution. But if there is no such object to be served, he being a servant of Government should not be allowed to take any private employment so long as he is in its service.

Read also the following letter from M.R.Ry Ch. Venkatachalam Pantulu, Deputy Collector on leave, dated 6th October 1897:-

Referring to G.O. Misc. No. 3634 dated 15th July '97, in reply to which I submitted my letter dated 24th July to the Board of Revenue, I beg respectfully to state that my furlough for one year will expire by the end of the current month, and to request that a provisional extension of one month's furlough may be granted to me pending the final orders in regard to my taking up the office of Receiver of the Val-lur P the Accountant-General has I believe already

or so, I shall not want the extension but should there be a further delay taking me into the next month, I should be in want of leave and therefore I apply for the extension.

3. If Government has been pleased to recommend my case to the Government of India for sanction as to my taking up the office of Receiver, may I request that orders of the Government of India may be obtained by wire and communicated to me by wire too as requested in my petition of 11th June last? The pleaders of one of the parties to the suit and the party himself have been urging the immediate necessity of my taking up the office and for that purpose, of my obtaining the orders of Government as soon as possible, saying at the same time that in view of their interests in the Estate they are under the immediate necessity of moving the Court to appoint a non-official in case I cannot obtain orders immediately. But for this reason I would not trouble Government to obtain and send me telegraphic orders.

4. If I am not fortunate enough to be favoured with orders to take up the office of Receiver, I should like to join my post in the Public Service and in this view I respectfully request that instructions may be issued to me so that after 20th Current, I may hold myself in readiness to join my post at Narasapur, Godavari district to which I believe I now stand posted unless Government be pleased to direct me to join elsewhere.

5. I submit this petition because I find myself in the last month of the one year's leave granted to me, with no near and clear prospects of being permitted to take up the office of Receiver without the danger of my overstepping the leave and also because just now the party and his pleaders are most urgent about my taking up the office at once.

6. I beg to enclose herein Rs.5 worth of telegraphic labels to cover the telegraphic charges in pursuance of my requests.
