C. No. 1379

B.C.

The S.E. submits the Medical College Budget, but for ~~any~~ the reasons given in the current the D.P.I. should apparently do so – In any case the present practice under which the Medical College budget is mixed up with the other minor heads under the Surgeon Genl is not safe. It should come (from the S.G. or the D.P.I. or from* both) to Educational Draft the necessary orders correcting our lists – It must go to G.C.

Cmd.
19.5.98

* The Surgeon Genl has evidently nothing to do with it except that it falls under the account head Medical – If D.P.I. sends it to Genl, it would be mixed up with Dr Pulney's superintendence' accounts. AG 20/5/98
