ACCOUNTANT-GENERAL'S REPORT.

No. 10

The entries in the column of "Present Scale" have been compared with the Registers of this office, and are correct with the exception of the items altered in red ink.

The allowance recommended by the Surgeon for the General Charge of the District Jail, is in accordance with the scale of remuneration sanctioned in the Resolution printed in his No. 1619 dated 19 September 1889. The statement is true. The proposed increase is within the sanctioning power of Local Government.

No. 1507.

From

INSPECTOR-GENERAL OF PRISONS,

To

THE CHIEF SECRETARY TO GOVERNMENT.

thru

The Accountant-General, Madras.

Sir,

With reference to Government telegrams Nos. 128 & 129 dated 26th and 30th March 1898, I have the honour to submit Proposition Statements for the Establishment of the Guntur District Jail the temporary reopening of which has been sanctioned. The Superintendent's allowance has been shown at Rs 75 per mensem, as the Jail accommodation which is for 200 prisoners, will probably be fully occupied.

2. It is impossible to foresee how long it will be necessary to keep the Jail open. The annual cost of the Establishment will amount to Rs 4,851 and there may be charges for extra warders. For the present I think the expenditure may be met from savings. If it is necessary, when the altered Grants are submitted next January, special provision can then be asked for. If the Monsoons of 1898 are good, no provision is likely to be needed.

I have the honour to be,

Sir,

Your most obedient servant,

A. G. Cardew
Insptr: Genl of Prisons.
