Enclosure.

SIR,

I have the honor to request Govern-
ment sanction for carriage charges actually in-
curred by me when training in practical -
work members of the Certificated Sanitary
Inspector's class.

2. Owing to the Professor of Hygiene -
having hospital work to attend to, it has not
been possible for him to undertake this duty,
which should properly fall to him - as this
office does not exercise educational functions.
Rather, however, than the movement for
training Sanitary Inspectors should collapse
for want of an officer who could attend to
them in the morning, I have, during the last
three years, with the aid of my Deputy,
given them practical lectures. No remunera-
tion has been sought, nor is now desired, by
me

me for this work; but, as I find that, under present circumstances, I am put to actual - expense in hiring special carriages, I make the request as stated in the preceding paragraph. The cost could be met from the amount of Rs 1000 allotted for the Sanitary class contingencies in the budget of the Medical College.

I have the honor to be

Your most obedient servant,
